DIRECTOR OF MISSIONS REPORT, 1996

It is hard to believe it is already Annual Meeting time. This has been a busy year and many wonderful things have happened in Beulah Baptist Association.

Last fall the foundation was laid and step by step the "Baptist" Habitat House was completed. On October 11, Mrs. Arlene Walker and her daughter, Ashleigh, moved into their new home. They have expressed their gratitude to the Beulah Baptist Association and all those who worked so hard to make this a reality.

Even though the construction of the house is completed, we still have some work to do to raise approximately $7,000 to finish paying for materials used. Let's get this done by mid November when we dedicate the house.

Our disaster unit was put to good use after Hurricane Fran. It was brought to the Christian Help Center where meals were served and other assistance was given to hundreds of people.

Nueva Esperanza, (New Hope), our Spanish mission is very happy to have a new pastor and his family on the field. Angel Cruz and his family came October 12, 1996.

As an association, we had a part in sending a team to the Ukraine, and helping a missionary family go to Asia. Many of our churches have sent out mission teams to do work here in our association and around the world.

God is blessing and using us in a great way. I am pleased to sense a good spirit as I visit in the churches and hear the good reports of how the Spirit is moving. Let us continue to grow and be renewed in the year to come as we realize "people do count" because they are precious souls created by God who has called us to share with them his saving love and minister to their needs in Jesus' name.

It is good to be your missionary serving God here in Beulahland. Thank you for all the love and support you have given my family this past year as my mother was ill and died and during Sarah's health problems. Words cannot express how much it meant.

CAMPUS MINISTRY REPORT

A student Christian fellowship group called Alpha and Omega has been started at Piedmont Community College. Rev. Alfred Faulkner is the faculty sponsor. The group is open to all students at Piedmont Community College. The purpose of the group is to relate the students' studies to their faith in Christ. Bible studies, life decision issues, and leadership development make up the monthly program. Please keep this important ministry in your prayers.

MEDIA LIBRARY REPORT

The Media Library Focus for 1996-97 is Media Libraries...Ministering to Children. We can minister to our children through providing suitable literature on their age level. Some of the children who come to our church media library ask for books that they can read themselves. Most of the children like to have their parents read to them.

We can also help the parents develop a love of reading in their children. The question is "How can we get them to love to read?" Make it the thing to do. Model reading before the child. Read aloud to the child. Make it a special privilege. Find time to read by reducing television time. Make it fun. Make it easy, and connect with a library often.

If your church does not have a library you may question the need for one. Libraries exist to provide information for the user. The public library, school library and academic library is not to facilitate the work of the church. The church library can choose and connect persons with media and provide media services which are suitable to the functions of the church.

The church library equips persons to witness.
The church library develops disciples.

The church library can minister to needs in people's lives from the nurture of a new baby to the needs of youth, newlyweds, median adults and senior adults.

Is your church library a live functioning library or merely a storage room for old books? The live church library stretches its collection and services to meet the needs of its users. If you need help in meeting any of these needs, your associational librarians are available to help you.

EVANGELISM REPORT

I am excited about the possibilities that are ours in these days. There is a great hunger for the gospel and, more and more, church members are becoming excited about sharing their faith with their family, friends, work associates, and those they meet in the marketplace and leisure activities. "People Sharing Jesus" is one way to describe what we Baptists are or, at least, ought to be.

Let me encourage every pastor and every church leader to make every activity of the church's organization evangelist. Remember what the bottom line is! I am excited also that more and more we are understanding that the bottom line of all that we do in and through the church is bringing people to Jesus and discipling them to follow His Lordship and, in turn, tell others about their Lord and Savior. The Sunday School emphasis has been on reaching people for Bible Study and showing them that Christians really care and, more importantly, that Jesus cares for them. The WMU and Brotherhood have been emphasizes equipping Christians in discipleship and a true disciple strive to witness to people about our Savior. Evangelism is happening through every organization in our association and churches.

People Sharing Jesus is the name of a new set of materials that has become available this past year. The greatest aspect of these materials is that they are extremely flexible so that churches of all sizes can utilize them for training people in doing just what it says. People Sharing Jesus can be used in a variety of settings including individual study, small groups, worship services, seminars, Sunday or Wednesday night classes, or retreats. This process can be communicated through sermons, lectures, or discussion.

People Sharing Jesus and ***Carry the Light*** are two major themes being emphasized simultaneously this year. This is a joint effort of "Sunday School and Worship High Attendance Day" and "Soul Winning Commitment Day."

Let me encourage every church in our association to begin now, if you have not already, to develop a strategy of becoming an evangelistic body of disciple-makers. The Great Commission says, "As you go into the world, make disciples by (sharing Jesus and asking people to invite Jesus into their life and) baptizing them in the name of the Father, Son, and Holy Spirit, and teaching them everything that Jesse told us to do" (JSV). That is the task for every believer. Don't make it complicated, just do it!

MUSIC REPORT

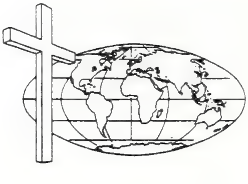
On May 25, 1996, the Music Ministry of the Beulah Baptist Association sponsored a Gospel Sing in conjunction with the benefit barbeque and stew held to pay for the Habitat for Humanity house being built by the Beulah Baptists. Groups from Berry's Grove, Theresa, and Westwood provided music for the event. A highlight of the evening was the music of the Gospel Supremes.

On September 22, 1996, the Beulah Baptist Association sponsored a program by the Young Adult Ensemble from First Baptist Church of South Boston, Virginia. The group is under the direction of Mrs. Susan Davis, former Director of Music for the Association and Minister of Music and Youth at CaVel Baptist Church.

On October 28, 1996 at 7:20 pm, the association will present the North Carolina Baptist Singers and Orchestra at Roxboro Baptist Church. This is a group of over 100 Ministers of Music from across the state. We look forward to this very special concert.

Music continues to be a strong part of the ministry of the churches of the Beulah Association. Individual congregations have graded choir programs, special ensembles, and guest musicians that enhance their services of worship and bring praise to God.

Serving Jesus together,
Mrs. Jane McCoy
Associational Music Director



RA REPORT

Again, the highlight of our year has been the Associational RA Pinewood Derby, which was held Saturday, March 23, 1996 at Northern Middle School. We had an increase in participation this year. One hundred fifty-six boys raced in this year's event with eighteen churches participating. Bill Al's catered the luncheon. Dr. John Hammett was missionary guest speaker and Steve Brogan, ventriloquist provided entertainment. Awards were given out for the top three finishers in each event.

The second Associational Royal Ambassador Counselor of the Year is Mr. Paul Stone, Olive Branch Church. I would like to thank the many RA leaders and parents for their support and efforts that made this event a great success. I hope and pray that next year's event is even better and that our RA boys continue to learn about missions and the importance of serving others.

Serving Jesus together,
Mr. Randy Queen
Associational RA Director

SUNDAY SCHOOL REPORT

"A Change of Season" or "A Season of Change"

Which statement most accurately describes our current state of affairs with the Baptist Sunday School Board? ***BOTH***!!! As we roll into 1997, the curriculum quarters will change to a more "seasonal" format. Beginning with the June, 1997 quarter, curriculum will be dated with quarters beginning in June, September, December, and March. This will make for a shortened quarter for April-May, 1997.

Other changes include a change in title for two of the curriculum: *The Convention Uniform Series* has now been totally revamped and is now called *The Family Bible Series*. With this curriculum, all age groups study the same scripture lessons in their various classes each Sunday. This format can be a tremendous help for pastors who wish to reference the Sunday School lesson in their sermons on Sunday morning.

The *Bible Book Series* is now known as *Explore the Bible*. This curriculum allows adults to study through the entire Bible in nine years and youth in six years.

The ***Sunday School Growth Revival*** is another idea that is being met with success across our state. Developed by Fred Lunsford, former DOM to the Truette Association, these revivals are custom-made for each church in which they are to be implemented. Many churches are having marked success in both Sunday School and worship growth as a result of these revival efforts. Any church interested in a consultation regarding the possibility of a Sunday School Growth Revival should contact me, the associational office, or Phil Stone at the Baptist Building in Cary.

Our Associational Sunday School activity has been limited this year. There were no major training events held within the association; however, some personal consultations were made. The association did purchase a study module entitled, "***Survival Guide for Adults***," which is available at the associational office for any church wishing to use it. Also, recently obtained, the entire teacher training module is being reviewed to be used in the near future for teacher, pastor, and general officer training. This module's format allows for large group, church cluster, and individual church training.

Finally, in reviewing the Sunday School numbers for 1995-96, we had eighteen out of 35 churches in our association reporting increases in their Sunday School enrollment. Fifteen of 35 churches had increased weekly attendance. In comparison to the 1994-95 church year, the associational enrollment and attendance figures were:

Enrollment: 1994-95: 5,240; 1995-96: 5,202
Average Sunday School Attendance: 1994-95: 2,918; 1995-96: 2,921

Sunday School still remains our greatest tool for group Bible Study, evangelism, and true church growth. Let's make this church year our best ever in Sunday School!!!!

Serving Jesus together,
Rev. Joe Grubbs
Associational Sunday School Director

VACATION BIBLE SCHOOL

"And a Child shall lead them." This proved to be true throughout the association during the summer of 1996. Children showed us many ways to serve and glorify God.

The groups used music, instruments, drama, puppets, art, and discussion to study and tell God's message in the classrooms. Mission projects were the highlights of the schools.

In May, a workshop was held for workers and leaders. A display of programs was made available for Bible School for participants to view, and choose what would meet the needs of their church. The members of the VBS team set up tables of information and ideas for each age group. They were there to answer questions and help with organizational and promotional ideas. The workshop was open six hours. Participants had a choice of times in which to attend. Two members of the team attend the State workshop in March.

The participants were given an evaluation form to let us know if this helped. The response was in favor of this type of Workshop. Many asked if we could have it earlier in the year. The date for 1997 is set for Monday, April 7.

Attendance in churches for VBS in the association was high. Several churches had VBS for the first time. Two churches sponsored Backyard Bible Clubs in Trailer Parks. The Association went for the Gold in VBS in 1996.

WMU Report

"Risk the Journey" was the theme for Woman's Missionary Union this year. There were name changes for the officers and women. Also, many new groups have been formed bringing in many new members. Co-ed mission organizations have been started in many of our WMUs throughout the association.

God has blessed our organization with dedicated leaders. Many of which have attended national leadership training sessions. Our most outstanding activities and projects are as follows:

Associational Baptist Women's Day of Prayer in November.

Camp Mundo Vista Fund given in honor of Louise Yarborough, retired home missionary.

Gum and money sent to the women in the Women's Correctional Center in Raleigh.

Focus Day in February money and items given to Project Aides, our National Project

450 items received in Person County and $571 collected
329 items received in Caswell County and $384 collected

There were 41 members from 15 churches who attended the WMU Annual Meeting at Ridgecrest in March. Triple Springs Baptist Church hosted the Associational WMU Annual meeting on April 9, 1996 with guest speaker Ms. Christie Carver and Rev. Eric Raddatz with Mr. David Long, guest soloist.

In May, the WMU from all the Person County Churches made 510 quarts of brunswick stew in connection with the Habitat House Fund Raiser. Continue to pray for and support our members. God is doing great things through the WMU.

Mrs. Rose F. Long
Associational WMU Director

YOUTH MINISTRY REPORT

There are many exciting things happening with the Associational Youth Ministry. First, let me update you on what we have done for the '95-96 year. The 1996 Super Bowl Party was a big success. Person High School Cafeteria was swarming with youth as we took the opportunity to share the gospel with them. It was a good time of fellowship and a lot of seeds were planted.

A contemporary Christian singing group named New Song came to the Kirby on April 14th. It was not only an inspiring time for the Christians who were there, it was also life-changing for several youth who gave their lives to Christ. Randy Oakley of Westwood headed up this endeavor along with a great deal of help from many volunteers.

Kyle Matthews came in August and did an outstanding job encouraging everyone to live for Christ through his music and testimony. This was an event that had been planned for a long time and it was a truly wonderful evening.

The See You at the Pole Rally was Saturday, September 14 at Theresa Baptist Church. Mrs. Jill Overton from Berry's Grove headed up this event. Larry Grays, who is a Youth Speaker, Evangelist, and student from Southeastern Seminary came and challenged our Teens to be devoted followers of Christ. He also challenged them to be in prayer for their friends, families, schools, and country, especially that Wednesday, September 18 at 7:15 am around the flag pole at their prospective schools. Several young people accepted Christ as their Lord and Savior and many committed to pray. On that Wednesday morning, it was estimated that around 130 students participated in prayer at their school flag poles. It was a good time of prayer and witness to their peers.

God is doing something new and he is inviting us to be involved with Him. Right now we have incredible opportunities to reach youth for Christ. One of the biggest opportunities that is coming up is the evangelistic Super Bowl Party in January. Other events that we are planning are a Parenting Teen seminar and a True Love Waits Rally sometime early next year. Several other ideas are being considered. Please be in prayer for the youth, for your own church's youth ministry, and for the Associational Youth ministry as we try to reach youth for Christ and make disciples. Thank you for allowing me to serve you and I look forward to a new year and new opportunities.

Rev. Jonathan Taylor
Associational Youth Director

The Stewardship Committee's position is stated as:

A. Committed to growth/vision of associational programs and personnel.

C. Conviction to uphold our 1988 promise to the current associational leadership that the BBA would have sufficient resources available to conduct a full mission program locally and world-wide.

Shaw shared information concerning the program "People Sharing Jesus".

10. Mrs. Rose Long gave the WMU Report. February was the in gathering for the National Project Help on Aids. In March, forty-three ladies from eight churches attended the State Annual WMU Meeting at Ridgecrest. April was the time for the Associational Annual WMU Meeting. It was held at Triple Springs. Christy Carver from Home, Health, and Hospice spoke at the afternoon session with David Long bringing special music. Eric Raddatz, Executive Director of Baptist Aides Partnership, spoke at the evening session. For May, the WMU will prepare the stew for the Habitat Fundraiser.

11. There were no Brotherhood, Media/Library Reports, or Youth Reports.

12. The nominating report was given. It is required by the Constitution to submit names for Sunday School Director, WMU Director, Brotherhood Director, Music Director, Chairman of Evangelism and Discipleship Training Director. The Sunday School Director, WMU Director, Chairman of Evangelism positions have been filled. At this time, the Brotherhood Director, Music Director, and Discipleship Training Director positions have not been filled. People have been asked to serve and the Committee is waiting for replies.

13. Rev. Johnny Smith expressed sympathy to the family of Rev. Tom Williams, pastor of CaVel Church, who passed away on May 17.

14. Mr. Phillip Woicikowfski of Milton Church addressed financial concerns of the association. He stated that a letter could be sent to each church, saying that if each church gave $11 per person, per year, we would meet our financial obligation. Rev. Gerald Hodges said that the financial picture does not reflect what we do in the association and we need to get word out about the ministries in the association. Rev. Ronn McCracken said that we need to challenge and encourage churches to give to our association. Rev. Buddy Hall stated how important the associations role is in helping a new, small church get on the right tract. Rev. Joe Grubbs said that he felt upbeat and positive about the way we are handling the financial picture. He suggested that a promotions committee marketing the association be established. There are many positive things going on in the association that are not being promoted in our churches. We are a much more mission minded association and we should turn people on by showing the positive aspects of our ministries. Rev. Johnny Smith commended those who have spoken and issued a challenge for churches to set an example of how we need to support our association. He challenged the Stewardship Committee to promote the association to obtain the funds needed.

15. In the absence of Rev. Russell Minick, Rev. Ken Childers gave a report from Nueva Esperanza. In a written statement, Rev. Minick said that the goal of Nueva Esperanza is to plant a Spanish speaking church. Six new disciples have been baptized this year and there are ten members. Special activities include a Cinco de Mayo picnic at Sansbury Park with thirty Hispanics present, including a couple of new families that hopefully will be in church this summer. English classes are offered at 3:00 pm with worship following at 4:00 pm. The Spanish congregation is still meeting at Westwood Church. Goals of the church are to find a new pastor, (Rev. Minick will leave at the end of July to serve as a missionary in Asia), and develop transportation options for prospects.

16. Rev. Childers gave the Director of Missions report. He thanked Mr. Phillip Woicicowfski for replacing the tile/floor covering on the bath floor and repairing the hand rail on the back porch and steps of the parsonage. Money was saved by this generous gift. A memorial gift was sent to Habitat for Humanity for Rev. Tom Williams, and we need to keep Rev. Hassell and Margaret Lamm in our prayers. The plans for the Habitat Fundraiser on May 26 were discussed. All churches were encouraged to participate in this special project. We were asked to be in prayer for the Southern Baptist Convention being held in New Orleans, and encouraged to go back to our churches and make a report of what is going on in the association.

17. Motion was made, seconded, and carried to adjourn the meeting.

18. The meeting was adjourned with prayer led by Rev. Ken Durham.

EXECUTIVE COMMITTEE MEETING

BEULAH BAPTIST ASSOCIATION
September 16, 1996

The Executive Committee of the Beulah Baptist Association met at 7:00 pm, on Monday, September 16, 1996 at Beulah Baptist Church.

1. Moderator, Mr. David Cunnup, called the meeting to order.

2. Rev. Jim McCoy led in singing "O For a Thousand Tongues to Sing" accompanied on the piano by Mrs. Frances Miles.

3. Rev. Scott Thomas, pastor of Montwood Church, gave a devotion using scripture from Matthew 14.

4. Minutes of the January meeting were read and approved. Roll call was taken with 48, (forty-eight), present representing 23, (twenty-three), churches.

5. There was no old business to be discussed.

6. The Treasurer's Report was presented by Moderator Cunnup. There were no questions.

7. Rev. Ronn McCracken gave the Stewardship Report in the absence of Mrs. Janice Dixon, Stewardship Chairman. The proposed budget for the 1996-97 Associational Year was presented. Dr. Victor Blackwell and Dr. Stanley Hare questioned the terms of the copier contract. Rev. McCracken explained that the fee included everything, rental of the machine, maintenance, and toner. All we have to supply for the machine is the paper. Rev. Roger Overton expressed his concern about not meeting this year's budget and presenting a budget with an increase and stated that he had no problem going on faith. Rev. McCracken stated that the budget was a realistic and challenging budget. The motion was made and passed to carry the proposed budget to the Associational meeting.

8. The Sunday School Report was given by Rev. Joe Grubbs. Rev. Grubbs stated that changes are on the horizon and new training materials are on the way. Our Associational Sunday School Department has been quiet this summer, but all that's about to change. New training material, Teaching Today, has been ordered and should be arriving soon. This teaching packet contains dynamic new material that can further encourage thriving Sunday School programs and revitalize those that are a little sluggish. The ASSISTeam will be reviewing these materials and making recommendations in the near future. We are in the process of solidifying our ASSISTeam members for the 1996-97 church year. Please be in prayer for those who will be serving and if you have any recommendations please call. Another area of growing excitement in Sunday School is Sunday School Growth Revivals. They were developed and implemented by Fred Lunsford (former DOM in Truette Association). They have been done with great success in many western North Carolina Churches. Leaders for the eastern part of the state are currently being sought and trained to lead these growth revivals in our area. These growth revivals are customized for your particular church. Some churches have seen as much as a 50% increase in Sunday School enrollment and worship attendance. The month of October is designated as high attendance month for our Sunday Schools.

9. The Evangelism Report was given by Rev. Jim Shaw. People Sharing Jesus...Carry the Light is the theme for 1996-97. The month of October is designated as high attendance month for our Sunday Schools and the first Sunday in October is designated as Soul-Winning Commitment Sunday. Rev. Shaw shared information concerning the People Sharing Jesus program.

10. The WMU Report was given by Mrs. Rose Long. The Fund Raiser for the Habitat House which the Associational WMU made the stew went over very well. All the churches in Person County helped. We thank Mr. Charles Long, Mr. Lewis Wilson and the Longhurst Jr. Order for their assistance in preparing the stew. Ten of our twelve associational officers attended the training at Camp Mundo Vista. Five of our officers attended a three day national meeting in Lynchburg, Virginia. Attendance was off at the Leadership Training held last week. Many blame Hurricane Fran. There will be another Leadership Training on October 6, 1996 at 2:00 pm at Baynes Church.

11. The Youth Report was given by Rev. Jonathan Taylor. There are many exciting things

happening with the Associational Youth Ministry. Kyle Matthews came in August and did an outstanding job encouraging everyone there to live for Christ through his music and testimony. This was an event that had been planned for a long time and it was a truly wonderful evening. The "See You at the Pole Rally" was this past Saturday, September 14 at Theresa Baptist Church. Rev. Larry Grays who is a Youth Speaker, Evangelist, and student from Southeastern Seminary came and challenged our Teens to be devoted followers of Christ. He also challenged them to be in prayer for their friends, families, schools, and country, especially this Wednesday, September 18 at 7:15 am around the flag pole at their prospective schools. Several young people accepted Christ as their Lord and Savior and many committed to pray. A Super Bowl Party is being planned in January, Parenting Teens seminar sometimes early next year, and several other ideas are being considered. Participation at the Youth Leaders meeting have been outstanding. Please encourage your Youth Leaders to be at the next Associational Youth Leader's meeting October 14, 7:00 pm, Westwood Church.

12. The Nominating Report was given by Mrs. Lona Lockhart. All positions have been filled except for Brotherhood Director and Music Director.

13. The Program Report was given by Dr. Clay Warf. In the afternoon session, on October 21, at Providence Church, Caswell, the Camerons Boy's Home will be presenting special music followed by Rev. Cleve Wilkie. The evening session will feature Rev. Claude Harrelson of Lea Bethel Church presenting the Doctrinal Sermon. In the afternoon session, on October 22, at Rock Grove Church, Dr. Roy Smith, Executive Director of the Baptist State Convention will speak. The Annual Sermon will be delivered by Rev. Buddy Hall of Triple Springs Church. Special Music will be provided.

14. Reporting on other events going on in the association, Rev. Jim McCoy reminded everyone of the upcoming concert by the Young Adult Ensemble of South Boston, Virginia, Sunday, September 22, at 7:00 pm at Roxboro Baptist Church. Dr. Clay Warf informed everyone of the NC Baptist Singers who will perform at Roxboro Baptist Church on Monday, October 28, 1996, at 7:20 pm. Mr. Bobby Carver of Bethel Hill Church reminded the Executive Committee about an earlier commitment to have a special day to take a love offering for the Christian Help Center, Person County and the Caswell Parish, Caswell. A discussion was held and it was determined that the stewardship committee would take a look at a date and report back at the Annual Meeting.

15. Rev. Ken Childers gave the DOM Report. He thanked everyone for their love and support during the illness and death of his mother and also asked for the continued prayer for Sarah and her illness. The importance of the state missions offering was discussed. Ten percent of the monies given from our association, would return to our association for use here. The Spanish Mission has called Mr. Angel Cruzs as it's pastor. The Baptist Habitat House is just about completed and about $7,000 is needed to pay off the amount owed. A need for a wood cutting ministry was discussed. The Christian Help Center and the Caswell Parish could use the wood during the winter months. Storage of the wood was discussed. We were asked to be in prayer for Rev. Jimmy Pulliam and his family. Rev. Pulliam has a sister who is terminally ill. Rev. Childers reported that due to the havoc of Hurricane Fran, if anyone wanted to take clean-up teams into areas that needed assistance, they could call the Brotherhood number at the Baptist State Convention to find out where they are needed. It was suggested that we add a Disaster Relief Committee to our Nominating Committee Report. After experiencing Hurricane Fran, the need for such a committee is great. A motion was made to present this at the Annual Meeting. The Executive Committee was reminded that the association office was still in the process of making a video to promote the association. Churches were urged to get their photographs into the office. At the conclusion of his report, Rev. Childers presented a video of the

Cameron Boy's Home, the group that will be bringing special music at the annual meeting.

16. The meeting was adjourned with Rev. Allen Cherry, pastor of Rock Grove Church, closing with prayer.

As chairman of the Administrative Committee, Mr. Cunnup explained the duties f the committee referring to Beulah Association Constitution, Bylaw IV, Administrative ommittee and also read Article V, Section 2, concerning the membership of churches. Mr. unnup went on to read a letter from Ebenezer Missionary Baptist Church of Providence, orth Carolina, requesting membership with Beulah Association. The letter stated that benezer was in compliance with Article I Section 2 of the Constitution. The letter was igned by Rev. Paul A. Jackson, Moderator and Pastor, and Ms. Vickie Bowe, Clerk and dministrative Director for Ebenezer Church. The Administrative Committee met with Rev. ackson and the vote was unanimous to bring the request to the Annual Meeting. Rev. hilders stated that he had met with Rev. Jackson on three occasions and that Rev. Jackson xpressed the desire for their church to unite and become a part of Beulah Association. ev. Victor Blackwell of Olive Branch Church wanted to know if Ebenezer Church was going o be dually aligned with two associations. Other questions were also asked and Rev. hilders answered those questions. Dr. Clay Warf stated that Rev. Jackson shared with the dministrative committee that Ebenezer Church would celebrate it's 150th anniversary next ear. This church started out as a slave church. The land was given by a presbyterian inister and he trained one of his slaves to pastor the church. A 150th anniversary elebration would be held next year and the association would be invited to join in the elebration of this church that started as a slave church. Dr. Warf felt that it would be ignificant if Ebenezer Church and Beulah Association joined together for this celebration. r. Warf has know Rev. Jackson personally for several years and knows him to be a fine man. ev. Jackson has worked with the Baptist State Convention for several years particularly n the area of denominational relations and has proven himself there. Mr. Cunnup stated hat Rev. Jackson was sincere and that we had a very good meeting with him. It was voted nd approved to accept Ebenezer Missionary Baptist Church of Providence, North Carolina, nder the watchcare of the Association.

DIRECTOR OF MISSIONS REPORT, 1997

Let me begin my report by saying thank you to "Beulah Baptist" for your loving support during the past year. You have shown how much you care in so many ways during Sarah's illness and surgery. All of this, but especially your prayers, has meant so much to us that it is hard to express in words. Her surgery was a complete success, even beyond what the doctors had expected. She is doing great now. Thank God for answering our prayers.

Our theme last year was, "People Count." We have seen this carried out in a number of ways. First of all, the "Baptist Habitat House" was dedicated in November. This took a lot of work, time and money but you did it in the name of Jesus, because you care, and people count.

Another way we showed that "people count" was the wood cutting project to provide wood for people to use to heat their homes. This was a great help to the Christian Help Center and the Caswell Parish House.

In late January and early February, a team went to Costa Rica to do a Bible School and repair work on a church. This was a great success with over 100 children enrolled in Bible School. A new roof was put on the sanctuary and a kitchen was furnished by the team. This was all a great blessing to the people there and they appreciated if very much.

Here at home we have seen God at work in our churches. There have been quite a few who have responded to God's call to Christian service. Our ordination council has been more busy this year than any time since I have been here. We are seeing more volunteers from our churches helping out in community needs. A large number of our men have been changed and renewed by being involved in Promise Keepers. The number of discipleship classes being offered is growing. I am hearing of good revivals. The Spirit is moving. It has been especially evident in our Spanish Mission as we have had an increasing number of baptisms and growth in attendance.

Let us move into this new year and see this spirit continue as we work, "Hands and Hearts Together with God" to face the challenges, opportunities, and responsibilities that face us.

I look forward to a great year together. Please let us know of any way we can help you through the association office. We are here to serve you.

SUNDAY SCHOOL REPORT

As the needs in the Sunday School programs in our churches continue to change, so does the Sunday School leadership teams in our association, state, and convention. What used to be called the ASSISTeam in our associations is now referred to as the ACTeam, standing for Associational Consultation Team. The change in name reflects the trend in most associations in moving from primarily a "Training team" to primarily a "consultation team." This trend seems to be holding true for our association as well.

The change in curriculum dating to seasonal, which began in June of this year, has been met with mixed emotions across our association. While some like the seasonal format, others have had a hectic summer in securing teachers for the next year a month earlier than in the past. Many churches are making plans to change their church calendars to begin the new year in September rather than October to better handle the curriculum dating change.

The actual changes in the SBC curriculum content have been met with mostly positive results. The revised *Family Bible Series* and *Explore the Bible Series* along with the *Life and Works Series* offered by the Sunday School Board have caused many churches, that had left SBC curriculum in favor of other publishers, to look again at the literature offered by our convention.

The most exciting information regarding the state of Sunday School is news from our churches. Many churches are experiencing new and continued growth in Sunday School. One special and encouraging note within our association is that some Sunday School leaders, along with the aid of their pastor, have contacted leaders in Sunday School from other churches in our association and requested and obtained information on things that are working in these churches with dynamic and growing Sunday School programs. This is an advantage of churches working in "ASSOCIATION" with each other. Hopefully, this will become a pattern for us in the Beulah Baptist Association.

Joe Grubbs
Associational Sunday School Director

VACATION BIBLE SCHOOL
1997

"Fence" is a game activity in the Middle Children's Study for Vacation Bible School. The students form a circle facing the outside. Using a rope, starting with the leader telling something Jesus did when the person asked Him to be their Savior. The leader ties the rope around her wrist and passes the rope to the next person. This continues until all have the rope around their wrist. The rope makes a circle with all the participants inside the circle. all who believe and accept Jesus makes up the kingdom of God.

These children were witnessing to their friends. This game was one of the emphasis for Vacation Bible School for 1997. This was repeated throughout the churches in the Beulah Baptist Association. Many churches used the Rodeo theme (BBS) with some using other programs. It was great hearing stories from students witnessing to their families, friends, and neighbors.

All of this started with our VBS team. They presented the ideas to representatives from the churches at the VBS worship in April. They were outstanding in teaching and inspiring those who were present.

The message reached farther than our association. There were several mission clubs in communities throughout the area. Teams were sent to different areas in the state to help with needs of the churches and VBS. Teams went into other states and also as far away as Russia. We will never know how far our witnessing may reach, and how large the circle will reach.

So many people made this a great year for VBS. Let us pray that the message will move across the world through all ages we taught in VBS. Thanks to all who had a part in the very important time in our churches.

Rachel Cates
Vacation Bible School Director

BIBLE DRILL

Children's Bible Drill has been in operation in the association since the late 1980's. We began with only two churches participating. As of the 1996-97 church year, we had five churches participating in Children's Bible Drill. We had approximately eleven children that participated. Of these eleven, eight children were State winners.

The purpose of Children's Bible Drill is to help children increase their knowledge of the Bible, develop shills in effectively handling the Bible, and begin developing memory skills. Children who are fourth fifth, and sixth graders are eligible to participate. There are three levels of drill competition - the church, the association, and the state. By the time a child has completed three years of Bible Drill, he/she has learned and memorized 75 verses, 30 key passages (and able to locate them within ten seconds), and all the books of the Bible. What an accomplishment!

After their completion in Children's Bible Drill, these children can progress to the Youth Bible Drill. Youth who are in grades seven, eight, and nine for the current church year are eligible to participate. We did not have any youth participating in Youth Bible Drill.

Anyone in grades ten, eleven, and twelve, wishing to further progress after Youth Drill, can participate in the Youth Speakers' Tournament. The Speakers' Tournament is designed to stimulate growth toward Christian maturity by asking youth to think seriously about their Christian commitment. Participation in the tournament also assists youth in developing skill and confidence in expressing their commitment verbally. We did have one youth from our association that progressed to State level.

I praise God that these children/youth are hiding the Word of God in their hearts. May we as adults do the same. Please, I implore you to initiate this wonderful God-given program in your church. What better way to be prepared for God's army!!

Donna B. Grubbs

SPANISH MISSION, 1997 REPORT

First of all, I want to give thanks to God, especially for the care that He has given my family. Second, I want to give thanks to God because on this day, it is a year since I have come here, a year full of joy, of blessings, and of suffering. I thank him, He who has never abandoned me, He who has helped me get through these hard times that at one point seemed never to end.

It has been a real pleasure for me to work in this community, the community that God has brought me to. As the pastor of the Spanish Mission, I have had the pleasure and honor to be a witness of God's great and beautiful blessings He had shed upon us.

We have had in the past month of September, thirteen professions of faith, eight of which have been baptized. There are still others taking classes for baptism, so that they to can complete their obedience to God.

On behalf of the mission, I want to thank everyone for your participation in helping us to establish the Spanish Mission. This church that is here to extend the word of God out to the growing Hispanic community in this area. And thank you for letting it become, what is now is, the Spanish Mission "Nueva Esperanza."

With the help of God, we would like to continue our sharing of the gospel. I would also like to thank the group of people who are supporting me with their prayers. Especially the Greenwood family, Lona, Anne, and her mother, Bess, who have lifted me up with their prayers. Prayers, Prayers, Prayers, are the only thing that can help us keep this mission alive and growing. I want to invite everyone to unite with us. Unite with us in our prayers, to give us strength, and to work together in this mission, this mission that God has given to us.

Forget the fact that we are Hispanics, forget our color. For Jesus there is no difference. He died so that everyone can have the opportunity to know about His word. No matter what their color, race or nationality is.

In the name of God, we invite you to be a part of the mission that God has established in this community. It will be a pleasure for us to work together and fulfill what He wants us to do.

May God Bless You,
Serving Christ Together,

Rev. Angel Cruz

EVANGELISM REPORT, 1997

For several years, churches throughout the SBC have been cooperating together by conducting simultaneous revivals every five years. The next year for that will be 2000. Already, plans are being made for this very special year as we enter a new millennium. No other people on earth have more reason to celebrate than God's people. Christ came 2,000 years ago to impact more than just our calendars. He came to give abundant, everlasting, spiritual life to every person. He is the cornerstone of human history, the author and finisher of our faith. There will be no better way to celebrate the new millennium that by introducing other people to Jesus Christ.

The theme for the simultaneous revivals will be "Celebrate Jesus 2000." Every pastor should have already received a packet of materials from the NAMB. We are being encouraged and challenged to share the gospel with every person in America by that year! Associations and churches are being urged to develop a strategy for accomplishing this goal for their own areas of ministry.

The basic plan consists of four parts: Prayer, Personal witness, Proclamation, and Preservation. Don't get the idea that one of these parts will be emphasized each year until then. It will take doing all of these, all the time! There is a certain kind of progression here, but the key word is **STRATEGY**! It will be important to develop a strategy for accomplishing this goal of sharing the gospel with every person in Caswell, Person, and Orange Counties. Let us be laborers (disciples of Jesus in the fields daily)...together (the fields are too large and numerous to work them alone)...with God (we can only plant, water, and cultivate; we must leave the increase to Him).

Doing evangelism doesn't have to be done as a program of some kind. It involves personal obedience to Christ's command to be His witnesses in the world. Evangelism should be a part of every program of the church and an integral part of every Christian's personal walk with Christ. May each body of believers strive to be pleasing unto God, to follow Christ's direction only, and to be a purpose-driven church.

Serving Christ Together,

Jim Shaw
Associational Evangelism Director

DISCIPLESHIP TRAINING REPORT

This has been a year of learning for me in Discipleship training. During my first year, I have tried to give to Beulah Baptist Association the kind of assistance I thought it needed. But this has not worked.

This year we going to take a different approach. I will be looking for two or three people who would like to work with me in Discipleship training and to schedule a meeting to hear from churches on how we can assist you in Discipleship training.

I ask for your prayers and support as we endeavor to be your servant.

BROTHERHOOD REPORT - 1997

The Brotherhood this past year of 1996-1997 has tried to produce a greater interest in the churches to have functions in all areas of Brotherhood. We have had a small increase in Baptist Men groups by encouraging each group to work in some form of mission work in the community or state. The RA's have had a big increase in boys attending and also in the functions that are offered by their leaders.

While attending the Key Leadership Conference at Ridgecrest, we learned that all the previous programs that are now in progress will continue. It was also mentioned that the mission projects are many and if men are willing to step out, they can help a lot of people in need.

The RA boys had a wonderful time in the RA events at one of our local schools. The attendance was over 300. This credit must be give to Rev. Randy Queen for a wonderful job in putting together all the events and entertainment for that day in April of 1997. We hope to continue this same event this year, 1998.

We had wonderful meetings for Disaster Relief this year and are now in the process of forming an emergency response team for our county and state. More information will be announced later. The Brotherhood training for all groups was held at Timberlake Baptist Church with the following number of people attending, RA leaders, 9; Baptist Men Leaders, 7; Challengers, 2; teachers 3; Director of Missions; and Brotherhood director with a total of twenty three people attending.

In Christ,

Don Harris
Associational Brotherhood Director

WOMAN'S MISSIONARY UNION REPORT

"Hand in Hand" our Woman's Missionary Union worked together with other associational departments and committees in reaching out to others. We also worked hand in hand with our state Woman's Missionary Union to train and educate our organizational leaders.

Our outstanding activities and projects for 1996-97 were as follows:

Associational Baptist Women's Day of Prayer in November held in six regions.

Camp Mundo Vista Campaign Fund given in honor of Francis Grubbs, Baynes; Carolyn Everett and Janie Wagner, Beulah; Fannie B. Yarbrough, Blanch; Reafer Stewart, Calvary; Louise Clayton and Agnes Dunkley, Lamberth; Bulene Clayton, Montwood; Pauline Wood, Olive Branch; Alease Carroll, Providence, C; GA's of Theresa; and Eldora Windham, Westwood; and in memory of Martha Ann Smith, Blanch; Bessie Pixley, Berry's Grove; and Myrtle Hite, Montwood.

Money was sent for the Woman's Correctional Center to provide items for Christmas.

Focus Day in February and the weeks following, items and money were given for the Cameron's Boys Camp and the Children's Home in Thomasville. This was in connection with our National Project: HELP - Child Advocacy.

Health Kits and items of clothing were provided for the migrant workers.

Money for scholarships was given for Camp Angel Tree held at Camp Mundo Vista.

There were approximately twelve churches represented at the WMU Annual Meeting at Ridgecrest in March. First Baptist Church, Yanceyville hosted the Associational WMU Annual Meeting on April 8, 1997, with twenty churches represented. Guest speakers were Linda Hicks, NC WMU, BSC and our own Greta Paith. Special music was by Mrs. Sharon Enfinger and the choir of First Baptist Church.

Two flags were presented at the meeting. A gray one representing the unreached people in Beulah Association and the other one was our associational flag. These flags were made and given by the Woman's Missionary Union of the association. The gray flag and a duplicate associational flags were first presented at the Baptist State Convention in November, 1996. The associational flag was given to the state at this time. These flags are for the churches to use at any time and for associational events.

Associational WMU Director

YOUTH MINISTRY REPORT

It has been an exciting year for the Associational Youth Ministry. We began the year with the evangelistic Superbowl Parties in January. The Senior High Party was held at the Person High School cafeteria and the Junior High Party was held at Roxboro Baptist Church. It was a good time of fellowship and a lot of seeds were planted.

In February, Bruce Ashford, who is a Youth Speaker, Evangelist, and student from Southeastern Seminary came and spoke at the True Love Waits Rally at Cavel Church. He challenged the teens to commit to sexual purity and many responded to that call.

On June 3, the Associational Youth Ministry co-sponsored with the Fellowship of Christian Students, (FCS), a Baccalaureate Service for all of the graduating High School students of Person County at Kirby Theatre. The entire community was invited to attend. The speaker for the event was Kenny Dubnick from Somerset Baptist Church. He encouraged the youth to trust in God and he challenged them to live for God as they headed out into the world. This was a special time as we came together to celebrate what God had done in the lives of those graduates.

The See You at the Pole Rally was on Saturday, September 13 at Westwood Church. Images Creative Group came and led us through music, drama, comedy, and speaking. Everyone was blessed by this group's ministry and many youth responded by rededicating their lives to Christ. The purpose of this rally was to remind and encourage our youth to gather at their school flag pole and pray for their friends, family, school and country on Wednesday, September 17. The youth were challenged to allow God to answer their prayers for their schools and friends through them. It was awesome to see as an estimated 170 youth participated in this time of prayer at their prospective schools.

For over a year we have been planning a Parenting Teens Seminar. We, as Youth Leaders all agree that one of the greatest ways to minister to a teen is to minister to and equip his or her parents to be godly parents. Matthew Gibbs has done a tremendous job coordinating this event. The Parenting Teens Seminar is scheduled for next February and may prove to be one of the most productive events we have ever had.

There is no doubt about it, God wants to work in and through the lives of teenagers in Person, Caswell, and Orange Counties. How do I know that? Because He's already doing it! What an incredible mission field we have right here at our schools!! If you know Jesus and you know a youth, then you have been called to be a youth minister. We are all called to minister to those around us. Please be in prayer for the youth of your church, your church's youth ministry. and the associational youth ministry, that we ***will*** reach youth and make disciples! I praise the Lord that He has raised up Chris Giddens, Youth Pastor at Theresa Church, to lead the Associational Youth Ministry this coming year. He is a gifted minister of the Gospel and a dynamic leader and I know he will do a great job. I look forward to serving with him and you this coming year!

In Faith and Service,
Rev. Jonathan Taylor
Associational Youth Director

2. Rev. Gary Willett of Antioch gave the devotional and brought greetings from the Minicks.
3. Minutes of the September meeting were read and approved. Roll call was taken with 67, (sixty-seven), present with 28, (twenty-eight), churches represented.
4. There was no old business to be discussed.
5. The Treasurer's Report was presented by Moderator Cunnup. There were no questions.
6. Rev. Joe Grubbs of Semora Church, gave the Sunday School Report. We were told about the many changes in the face of Sunday School which have already begun to take place. The training module Teaching Today is available for both cluster and individual church training. Another change soon to take place is in the ordering schedule for curriculum. The Winter Bible Study celebrated its 50th year this year. The information and materials for this year's VBS are available. The ASSISTeam training in Cary is scheduled for April 11-12.
7. Rev. David Moore of Bethel Hill Church, gave the Discipleship Training Report. Rev. Moore stated that he saw the discipleship training program as an extension of all the other programs. We need to use our resources together. He asked that we pool our resources, share our material so that we can work together and help each other. We need to form support groups. We have so many hurting people in our churches. There are many ways that we can work together and live like Christ would have us live. We were encouraged to work together with the love of Christ.
8. Rev. Jonathan Taylor of Westwood Church, gave the Youth Report. He stated that we are trying to reach the youth of Person County. We are starting with a Super Bowl Party at Person High School. At half time we will share the gospel. A middle school Super Bowl Party will be held at Roxboro Church. In February, a True Love Waits rally will be held at Theresa Church. In March we will hold a parenting-teen seminar. In April we will have an evangelistic training meeting for youth so that they can learn to lead their friends to Christ. We are praying about having a Fall Crusade and a concert. We are talking about having a scholarship for our youth in our association.
9. Rev. Jim Shaw of Mill Creek Church, gave the Evangelism Report. The NC Annual Evangelism Conference will be held at Calvary Baptist Church in Winston-Salem in early February. He encouraged people to attend these meetings
10. Rev. Angel Cruz gave a report on Nueva Esperanza, our Spanish Mission. He stated that he was thankful for the prayers and felt that God was working among the Spanish people. He also told of the great need of the church. Teachers are needed for the children. These classes are taught in English. Transportation is needed for members of the church. Through prayer and dedication, working together, we can accomplish the job that God wants us to do.
11. Rev. Ken Childers gave the Director of Missions Report. He stated that we truly need to help each other as we worked together to reach people for Christ. Our goal is to reach people for Christ and disciple them. The work that Angel Cruz is doing for the Spanish Mission is very much appreciated. The need for transportation and teachers are very great. Attendance is increasing.

Plans are being made for the summer migrant ministry. Hymnals are being purchased and donations are being received to help with the cost. A Habitat House update was given. The balance owed on the Habitat is down to $1092. We are trying to get information to our churches, we are starting a bulletin insert, called Beulah Highlights listing activities of the association for that month. Also, Rev. Childers made a motion to mail out the minutes rather than taking the time to read them. Corrections could be noted at the meetings, if needed. Motion was seconded and carried. We were informed that Margaret Lamm's surgery date was pending.

11. Dr. Clay Warf led in the commissioning service for the missionaries going to Costa Rica. Rev. Childers gave a brief description of what they were planning to do in Costa Rica. Reaching people through doing construction work and Vacation Bible School were the main activities being carried out. Dr. Warf stated that our marching orders as Baptists and Christians is the Great Commission and we need to realize just how great it is. It is God's command.

12. Dr. Warf led in closing prayer.

EXECUTIVE COMMITTEE MEETING MINUTES
BEULAH BAPTIST CHURCH
May 19, 1997

The Executive Committee of the Beulah Baptist Association met at 7:00 pm, on Monday, May 19, 1997 at Beulah Baptist Church.

1. Moderator, Mr. David Cunnup, Clement, called the meeting to order.
2. Dr. Jim McCoy, Lamberth Church, led in singing "Leaning on the Everlasting Arms". Mrs. Frances Miles accompanied on the piano.
3. Rev. Angel Cruz gave the devotional. He spoke of the trails and temptations of life and how to meet those situations.
4. Minutes of the January 20, 1997 meeting were approved. Roll call was taken with 58, (fifty-eight), present with 24, (twenty-four), churches represented.
5. There was no old business to be discussed.
6. The Nominating Committee Report was given by Mrs. Lona Lockhart. All positions have been filled with the exception of Sunday School Director. Director of Discipleship Training, Rev. David Moore, Bethel Hill; WMU Director, Mrs. Rose Long, Lamberth Memorial; Baptist Men Director, Rev. Donald Harris, Timberlake; Director of Evnagelism, Rev. Jimmy Pulliam, Calvary; Director of Music, Mr. David Long, Roxboro, Minister of Youth, and Mr. Chris Giddens, Theresa. It was voted and approved that Rev. Donald Harris would finish out the remaining year as Brotherhood Director.
7. Mrs. Rose Long gave the WMU Report. On April 8, 1997 the WMU Annual Meeting was held with twenty churches represented. Mrs. Linda Hicks spoke on Cultural Diversity in the afternoon session and Mrs. Greta Paith spoke about her Ukraine mission work during the night session. Twelve ladies were honored and three were memorialized by love offerings sent to Camp Mundo Vista. The WMU made and donated flags. Migrant Ministry kits were put together from donations made by the churches of the association.
8. The Brotherhood Report was given by Rev. Donald Harris, Timberlake. He spoke of the Advocates for the NC Missions Offering, a program which has been designed whereby a member of our local association will help promote and speak for the NC Mission Offering. Also, a Volunteer Interest Form will be mailed out for our people to fill out and return. Each church will receive a booklet "40 Ways to Say Thank You to your Pastor." Our churches are encouraged to distribute these to the families of the church. We were asked to be in prayer for the ten churches in our association that do not have any form of Baptist Men or RA programs. A Disaster Relief Unit update was given. There is now a process to check out the Disaster Relief Unit.
9. The NC State Missions Offering video was shown at this time. Rev. Childers explained the importance of giving to the Missions Offering. Rev. Childers moved that a goal of $20,000 be set for our association. The motion was seconded and approved.
10. The Treasurer's Report was presented by Moderator Cunnup. There were no questions.
11. The Sunday School Report was given by Rev. Joe Grubbs, Semora. The associational emphasis in aiding churches with their Sunday School had undergone another change. Formerly, the group within each association which was called upon to aid churches in their Sunday School development was called the ASSISTeam. Recently, the name was changed to the ACTeam (not to be confused with Acteens, the WMU missions group for teenagers). The name ACTeam stands for Associational Consultation Team. This name change coincides with the trend in most associations moving away from primarily providing Sunday School training and moving towards providing consultation with individual and cluster groups of churches. On April 11-12, 1997, ACTeam training was provided in Cary, NC. Three members from our association's ACTeam attended this training. Scott Thomas, Montwood, attended as Outreach Director; Roger Overton, Berry's Grove, attended as Pastor's Director; and Joe Grubbs, Semora, attended as ACTeam Director. Each of these three are available to serve in a consultation capacity to any church needing help with their Sunday School program. We were asked to remember that a fantastic Sunday School training module is available through our associational office. The training module is simply titled, "Teaching Today," and provides instruction for Sunday School leaders and Adult, Youth, Children, and Preschool teachers.
12. The Discipleship Training Report was given by Rev. David Moore, Bethel Hill. He stated that he is very excited about what God is doing in Beulah Association. He encouraged the churches of our association to pool resources for Discipleship Training and advised that a "Discipleship Corner" will be in the Newsletter so churches who are conducting discipleship training and who wouldn't mind other churches joining them, can announce training. All you need to do is call the Association office with the type of training and the dates. We are also considering offering discipleship training on the Associational level, which would be open to any church. Those who have advertised their support groups in the newsletter are appreciated. We will have Support Group Facilitator training to be conducted by a representative from Rapha. The dates are September 20, or October 27, from 8:30 am - 4:00 pm.
13. The Youth Report was given by Rev. Gerald Hodges, Westwood, in the absence of Rev. Jonathan Taylor. Rev. Hodges stated that he was very excited about what was going on in our association for our youth. The first community wide Baccalaureate service will be held June 3, 7:30 pm at the Kirby and will be led by the Rev. Kenny Dubnick, Somerset. On Wednesday, September 17 a "See You at the Pole" Day will be held. A scholarship fund is being discussed for the students of Beulah Baptist Association and a county wide Evangelist Crusade for our youth is in the works for the fall.

14. The Evangelism Report was given by Rev. Jim Shaw, Mill Creek. He reminded us that several churches throughout the SBC have been cooperating together by conducting simultaneous revivals every five years. The next year for that will be 2000. Already, plans are being made for this very special year as we enter a new millennium. The theme for the simultaneous revivals will be "Celebrate Jesus 2000". Every pastor should receive a packet of materials from the HMB.
15. The Media/Library Report was given by Mrs. Inez Rogers, Roxboro. Mrs. Rogers shared information concerning the changes taking place in the library. A new dewey decimal book is out and libraries are on computer. If you need help in organizing your library, please give Mrs. Rogers a call.
16. The Spanish Mission Report was given by Rev. Angel Cruz. He reported on the progress of the mission, Nueva Esperanza. Home Bible studies are being held and with God's help, they will be having Sunday School and Wednesday night church services. Rev. Cruz thanked all the churches for their help and the support. He urged that the pastors needs to set the example for their church and stressed how we need to work together.
17. The Director of Missions Report was given by Rev. Ken Childers. He spoke of the need for teachers for our Spanish Mission, Nueva Esperanza and invited the churches to participate in the Migrant Day at Clement. A Bible Study, recreation and cookout will be provided, as well as clothes closet and the possibility of English classes. We were reminded to be in prayer for the Southern Baptist Convention, June 17-19; Executive Committee Meeting, September 15, at North Roxboro; Annual Meeting, October 20-21. The theme will be *Hands and Hearts Together with God.* Please be in prayer for the committee that is searching for a replacement for Roy A. Smith, Executive Director of the Baptist State Convention. Rev. Smith will be retiring. We need to remember Hassell and Margaret Lamm with prayer and phone calls. We were reminded that we are to share the Gospel with every person before the year 2000. A group from Beulah Church will be going to Wilmington to do sheet rock and repair work for homes damaged by Hurricane Fran. Contact Hassell Oakley if you are interested. The associational video, showing our people in the mission field and ministering here at home, was shown.
18. Under other reports, Mrs. Rose Long reminded us that the Annual Choir Sing would be held on June 1, 1997 at Roxboro Church. Rev. David Williams, Shiloh Church, requested that we be in prayer for our Baptist brothers and sisters in Ireland. He expressed his concern about the spiritual perspective of the association and requested a meeting with the moderator, director of missions, and Shiloh Church within the next thirty days to answer questions they have. Moderator Cunnup said that they would be glad to sit down and talk.
19 The meeting was adjourned with Mrs. Rose Long closing with prayer.

EXECUTIVE COMMITTEE MEETING MINUTES

NORTH ROXBORO CHURCH
SEPTEMBER 15, 1997

The Executive Committee of the Beulah Baptist Association met at 7:00 pm on Monday, September 15, 1997 at North Roxboro Baptist Church.

1. Moderator, Mr. David Cunnup, Clement Church, called the meeting to order.
2. Mrs. Rose Long, Lamberth Church, led in singing "Victory in Jesus". Mrs. Donna Grubbs accompanied on the piano.
3. Rev. Phil Oakley, Missionary in Benin, West Africa and member of Cavel Church, gave the devotional. He used John 14:12 as his scripture.
4. Minutes of the May 19, 1997 meeting were approved as written.
5. There was no old business to be discussed.
6. Roll call was taken with 48, (forty-eight) present, with 23, (twenty-three) churches represented.
7. The nominating committee report was presented by Mrs. Lona Lockhart. A motion was made and approved to take this report to the Annual Meeting in October.
8. Rev. Donald Harris gave the Brotherhood Report. He gave the 1997-98 Dates for Brotherhood events. Brotherhood Training would be held at Timberlake Church on Monday night, September 29 from 7:00-9:00 pm. He encouraged the brotherhood organizations to attend. He also asked that the Brotherhood Directors fill out the sheet from the Annual Church Profile concerning their positions. On November 4, a Brotherhood Rally will be held at Trinity Baptist Church in Raleigh. He reminded that RA Leaders to Training will be held on October 10 and 11 at Caraway.
9. The WMU Report was given by Mrs. Rose Long. The Associational WMU Leadership Team held Leadership Training on Thursday, August 28, 1997 at Clement Church. The attendance was not as good as in past years; however, it was held earlier this year in an effort to get the members accustomed to the training earlier as the new year will begin in September in 1998. "Come, Go With Me" is the theme for the coming year. Mrs. Long asked the pastors and lay people to do just that. Come, go with us as we minister to others and serve in Christs' name.
10. The Treasurers Report was presented by Moderator Cunnup. There were no questions.
11. The Sunday School Report was given by Rev. Joe Grubbs who stated that the Sunday School Department had a relatively quiet summer with its primary activity revolving around personal consultation with several churches regarding their Sunday School. There is room available at Caraway for Sunday School Leadership Training this coming weekend. Please contact Phil Stone at the Baptist Building in Cary for information. The associational Sunday School director will be assembling an Associational ACTeam for the 1997-98 year in the very near future. Please let Rev. Grubbs know if you have a dynamo in your Sunday School department that could help in training other teachers. There are a lot of new faces in many of our church Sunday School departments across the association. Because of this, there is a wave of fresh excitement about Sunday School in our churches. The upcoming church year has the potential of being a great one. ACTeam training has been scheduled for April 3-4, 1998, in Cary.
12. Rev. David Moore had nothing to report for Discipleship Training.
13. The Youth Report was given by Rev. Jonathan Taylor. He reported that on June 3 the Association's Youth Ministry co-sponsored a Baccalaureate Service for the graduating High School students of Person County. Although the attendance was less than what was hoped for, the event was very special to those Christian Seniors who were there. A See You at the Pole Rally was held at Westwood Church and Images Creative Group came and led in music, drama, comedy and speaking. Everyone was blessed by this group's ministry and many youth responded by rededicating their lives to Christ. The youth were challenged to allow God to answer their prayers for their schools and friends, Roxboro and the nation. A Parenting Teens seminar is being planned for February. The possibility of establishing a scholarship for a worthy graduating senior of our association is also being discussed. Rev. Taylor asked that we be in prayer as we seek to be an Associational Youth Ministry that reaches youth for Christ and helps the churches grow young disciples.
14. The Evangelism Report was given by Rev. Jim Shaw. Rev. Shaw informed us that two special emphasis are being conducted jointly: Sunday School High Attendance Day and Soul-Winning Commitment Day. As we "Carry the Light-Follow Christ's Example" through Sunday School High Attendance Day, we will seek those who will make a commitment to "Light Their World" through soul-winning. Preparation is already underway for conducting the simultaneous revivals in 2000. The theme will be "Celebrate Jesus 2000." We are being encouraged and challenged to share the gospel with every person in America by that year! Associations and churches are being urged to develop a strategy for accomplishing this goal for their own areas of ministry. The basic plan consists of four parts, prayer, personal witness, proclamation and preservation. Let us always understand that doing evangelism doesn't have to be done as a program of some kind. It involves personal obedience to Christ's command to be his witnesses in the world. Evangelism should be a part of every program of the church and an integral part of every Christian's personal walk with Christ. May each body of believers strive to be pleasing unto God, to follow Christ's direction only, and to be a purpose driven church.
15. The Media Library Report was given by Mrs. Inez Rogers. She reported that the State Media Library Workshop was held at Caraway Conference Center on April 25-27 and was one of the best conferences attended. The workshops were designed to help experienced and new librarians do the work more effectively. The State Workshop will be held next year at the Baptist Assembly, Caswell, May 15-17, 1998. A Master Library System Demonstration Diskette is available to those who are interested in putting their library on computer.
16. Rev. Angel Cruz gave a report on our Spanish Mission. Rev. Cruz thanked people for their support and reported that the mission was growing. Many have come to know the Lord. Rev. Cruz stated that the mission needs support, especially support from the mother church. Teachers are needed for the children. Spanish classes are being held on the second and fourth Thursday night at 7:30 pm.

17. Rev. Ken Childers gave the Director of Missions Report. He spoke of the needs of the Spanish Mission and invited those in attendance to a baptismal service on the 28 of September. We have been challenged in many of our reports. There are a lot of good things going on in our association. We have a mission field right here in our association, right here in our community, that is ripe for the harvest. He felt that the association was challenging its members to bring in the unreached for Jesus Christ. We were reminded of the Annual Meeting to be held October 20-21, 1997. The first days session will be at Lea Bethel Church with David Moore delivering the Doctrinal sermon and with Mrs. Donice Harrod delivering the Missions Message at the evening session. On Tuesday afternoon at Triple Springs Church, Rev. Milton Hollifield, Jr. will deliver the afternoon message and Rev. Johnny Smith of Clement will preach the Annual Sermon. Dr. Clay Warf is chairman of the program committee, he could not be here due to a prior commitment. We have received a letter of request from Ebenezer Missionary Church of Providence, North Carolina requesting membership into our association. This is a black congregation and the pastor is Rev. Paul Jackson. Rev. Jackson expressed that our association offers many things in training and equipping in Sunday School and other work that we do not have available to them and they believe the State Convention as well as the Southern Baptist Convention offers many things and the way to be involved with them is through the local Southern Baptist association. This will be considered in our business session at the annual meeting and we wanted the association to be aware of the request. The North Carolina Missions Offering and the Experiencing God Conference, led by Dr. Henry Blackaby, in Burlington were emphasized.

18. The Stewardship Report was given by Mr. David Cunnup, in the absence of Rev. Ronn McCracken. Mr. Cunnup went over the budget cuts and increases. There was a question about the amount for the annuals being cut. Rev. Childers explained that we could not have a definite figure for the cost of the annuals but we needed to allow for annuals that went to various institutions and libraries. Rev. Scott Thomas asked if there were any responses to as to whether churches would be increasing in giving. There was little response. Rev. Stanley Hare stated that the association had received $72,000 as of this date. A question was raised by Dr. Victor Blackwell concerning designated funds. Lona Lockhart explained how designated funds were handled. Mr. Cunnup noted that the bottom line increase in the budget was $607. Rev. Stanley commended the Stewardship Committee on the job performed in preparing the budget. The motion was made and approved to take the report to the Annual Meeting.

19. There were no other reports.

20. Under miscellaneous business, Dr. Victor Blackwell asked if the pastor of Ebenezer Church would be at the annual meeting to answer any questions we may have. Rev. Childers responded that he would be asked to attend the annual meeting. Dr. Blackwell asked if it would be feasible to have copies of the reports handed out with important dates and information. Discussion followed and Rev. Childers stated that we would discuss this at the next associational council meeting.

21. The meeting was adjourned with Rev. Mark Sterling, North Roxboro Church, closing in prayer.

DOM REPORT - 1998

There are so many people that I would like to say "Thank You" to for the kindness shown to me and my family during my ten years of service with Beulah Baptist Association. Words cannot express my appreciation.

We've had a lot going on this year. We've been in the organization and planning of the Clyde Dupin Crusade. Our churches have taken the lead in working to make this crusade a success. The crusade was held in September with over two hundred coming to know the Lord.

We have been involved in meetings with Cas Dale of the Baptist State Convention, who is a specialist in meeting the needs of the future. Rev. David Moore and Rev. Sarah Childers are representatives for our association. In November, a meeting will be held at Louisburg College and all pastors and key leaders will be asked to attend. Issues facing today church and trends of the future will be discussed.

Thank you for your giving last year. For the first time in several years, we met our budget.

We've had a lot of ordinations this year. Our ordination council has been very busy.

More space is needed for the association office. We would like to have more room for library materials and equipment for check-out for our churches. One of our goals is to build an Association Center.

Many things need to be done in our association. We need to be reaching out into our community for our Lord. We've heard a lot about missions during our meetings. As we think about the theme, "Baptist, Who Are We?" we are asked to trust God's word, to trust Him, to obey His voice, not the voice of someone else. As we move into this new year, let us continue to work to face the challenges, opportunities and responsibilities that face us.

As always, we look forward to a great year together. Please let us know of any way we can help you through the association office. We are here to serve you.

Serving Him Together
Rev. Ken Childers

Sunday School Report - 1998

On April 3-4, 1998, five ACTeam members from our association attended ACTeam Training at Forest Hills Baptist Church in Raleigh. The training focused on equipping our churches for a better and wider scope of ministry through Sunday School. ACTeam members were introduced to the 1998-1999 teaching series entitled, The Power to change Lives, The Complete guide for Building a Great Commission Sunday School. This series will be highlighted at the Associational Training School. ACTeam members are available to consult with individual churches and/or Sunday School Directors.

As we move into a new church year, please be in much prayer for the Sunday School program in your church. Also please pray for the Associational Sunday School Program. If you or anyone you know would be interested in serving with the Associational Sunday School leadership team, please contact the Association office and submit their names.

Serving Christ together,
Rev. Joe Grubbs

Bible Drill Report - 1998

On Sunday, April 5, 1998, the Children's Associational bible Drill was held at Providence Baptist Church in providence, NC. Five churches participated with sixteen children participating. Of these sixteen, ten advanced to the State Drill which was held in Raleigh on April 18 and in Asheboro on April 25. Eight were State Bible Drill Winners. For the second time in Beulah Associational Bible Drill history, we had one Youth Bible Drill participant from Providence Baptist Church. She progressed to the State Drill in Asheboro on April 24.

Vacation Bible School Report - 1998

Our Vacation Bible School Clinic was held on two different days this year and we feel that it was a huge success. The first clinic was held on Monday, March 30 at Roxboro Baptist Church and the second clinic was held at Providence Caswell Church on Tuesday, April 14, 1998, from 2:00 -8:00 p.m. each day. The set-up for the clinics was the same both days. Our goal is to help as many people to have unforgettable Bible Schools as we can. We feel we reached our goal! Thank you to all the people who worked so hard to make our clinics possible. You know who you are. We look forward to presenting a fantastic clinic next year.

Serving Christ together,
Ms. Rachel Cates

Evangelism Report - 1998

The first event of reaching Celebrate Jesus in 2000 is behind us. There were around 200 persons who attended the Evangelism Banquet which gave us a good start. Our Evangelism Banquet - conference is being planned for August 20, 1999 at Somerset Baptist Church and will begin at 6:00 p.m.

On December 31, 1999, just over two billion Christians worldwide will "Celebrate Jesus." Jesus has made a difference in our lives, in our homes, in our jobs, in our churches and in the life of the Beulah Baptist Association. On that night every church in our association, hopefully will have a Celebration Service at the time of their choosing.

Hopefully, in the Spring of 2000, every church in Beulah Baptist Association will conduct revival services with the Celebrate Jesus 2000 theme.

This is a very special time for every Christian. May each Christian prepare for the next millennium.

Respectfully submitted,
In Christ,
Rev. Jimmy Pulliam
Evangelism Director

Discipleship Training Report - 1998

Discipleship Training has had a strong year. I have heard from the churches throughout the Association about effective discipleship programs taking place on Sunday and Wednesday nights. Our churches and our association will grow in spiritual maturity as we take advantage of the opportunities for discipleship training.

I would like to thank First Baptist Church Yanceyville and Ebenezer for allowing me a blessed opportunity to teach the Experiencing God twelve-week study.

It has been a busy year. And yet, I must say that the churches of our Association, including my own, have made this year the most enjoyable in my ministry.

Respectfully submitted,
Rev. David R. Moore
Discipleship Director

Brotherhood Report - 1998

The Brotherhood (North Carolina Baptist Men), this past year of 1997-98 has tried to produce a greater interest in the churches on Baptist Men, and the men's work in the church and the community. We have had some increase in Baptist Mens groups in our churches but we need more men to make an effort to serve Christ and mission work. The RA's committed themselves and produced many more Christian boys to/and for the effort of Christ. We must not let down our Savior, let us go forward for men and boys for Christ.

While attending key leadership Conference at fort Caswell this past spring, we learned that a great deal of effort would be placed on Baptist Men this year. The two aspects of this effort would be that Baptist Men would become more spiritual in their Christian life and still support the mission work in our world. This would bring more strength to our churches and support our churches in special spiritual ways. There will be a meeting on this and other special events for Baptist Men and RA's at Roxboro Baptist Church on October 26, from 7:00 -9:00 p.m. We hope you will attend.

The RA boys had a wonderful time in the RA's event at Northern Middle School. The attendance was greater than last year and we are hoping for more to come in the year of 1999. I would like to thank all of those who helped in this great event. I know it took a great deal of effort to put this together. So, get your kids thinking about next year.

We are still working hard on more plans for the Disaster Relief Unit. Rev. Buddy Hall is our chairperson on this committee. We would like to thank him and the committee members for their great efforts. We would like to thank Triple Springs Baptist Church for raising money to go toward the unit.

I have enjoyed being your Brotherhood Director for this year. Thank you for your efforts and commitment.

Respectfully submitted,
In Christ,
Rev. Donald Harris

EXECUTIVE COMMITTEE MEETING MINUTES
BEULAH CHURCH
JANUARY 19, 1998

The Executive Committee of the Beulah Baptist Association met at 7:00 pm on Monday, January 19, 1998 at Beulah Baptist Church.

1. Moderator, Dr. M. Clay Warf, Roxboro Church, called the meeting to order. He thanked Beulah Church and North Roxboro Church for hosting the Executive Committee Meetings.
2. Mr. David Long, Roxboro Church, led in singing "Rescue the Perishing". Mrs. Donna Grubbs accompanied on the piano. Rev. Doug Jones, Beulah Church, introduced Mr. Mark Cobb, who presented special music. Rev. Jones gave the devotional using II Timothy 3:16 as his scripture.
3. Minutes of the September 15, 1997 meeting were approved as written. Roll call was taken with forty-one, (41), people present with seventeen, (17), churches represented.
4. Under old business, Dr. Warf explained that at our last meeting, Dr. Victor Blackwell had asked about the possibility of having printed reports handed out with important dates and information. The associational council considered this request but due to the time factor, there will not be ample time to type and print all the reports. It was decided among council that a handout with the important dates discussed at the council meeting will be prepared and the associational calendar will be updated. These were available on the vestibule table. There was no other old business to be discussed.
5. There was not a treasurer's report. A financial statement will be placed in the pastors packets and will be printed in the monthly newsletter.
6. In the absence of Rev. Joe Grubbs, who had a medical emergency, Mrs. Lona Lockhart gave the Sunday School Report. Through his report, Rev. Grubbs informed us that he was in the process of finalizing and solidifying the Associational Consultation Team, (ACTeam), in preparation for the ACTeam training on April 3-4 at Forest Hills Baptist Church in Raleigh. Names from associational churches of persons who would be dynamic in training other Sunday School Teachers and leaders were still needed. Plans are to hold a major associational Sunday School training for pastors, Sunday School Directors and Sunday School Teachers and workers. The date for this training has tentatively been set for September 17, 1998. He plans to make two personal contacts with associational churches before the Sunday School training to determine needs and directions of Sunday School programs within the churches. The intent is to contact both the pastor and the Sunday School director from each church. We were informed that many ideas are being tested in the convention and around the state to boost Sunday School. Some ideas that are taking off include off-site Bible studies and alternate scheduling of Sunday School classes. These ideas use areas away from the church and scheduling of Sunday School classes. These ideas use areas away from the church and scheduling of classes other than Sunday morning, respectively. Our intent is to offer the best help possible in the coming months to enable our churches to maximize their Sunday School potential. If you need us before we contact you, please call Joe at 694-5424 or the associational office.
7. Rev. Jimmy Pulliam gave the Evangelism Report. Plans are in the works for a Pastor/Spouse, Deacon/Spouse Evangelism Banquet. The date for this event is Saturday, August 14, at 6:30 pm, dinner with the program beginning at 7:15 pm. Thoughts are for each church to give a small sermon, payment will be made by each church, and about 300 people are expected to participate. A guest speaker will preach to encourage and motivate participation in the simultaneous revivals for the year 2000. We will be receiving more details as they develop. We were reminded of the Statewide Evangelism Conference on February 2-3 at War Memorial Auditorium in Greensboro.
8. The Discipleship Training Report was given by Rev. David Moore. On Tuesday, March 10, at 6:45 pm plans are being made to hold a Discipleship Training Meeting dinner with the meeting starting at 7:30 pm, at Beulah Church to try to find ways to help our churches train our members. Letters will be sent out and information will be in the newsletter. Rev. Moore asked for our support in an effort to disciple our people.

9. In the absence of Rev. Chris Giddens, Mrs. Lona Lockhart gave the Youth Report. A Parenting Teens Seminar will be held February 27-28, 1998 at Theresa Church. Rev. Dick Forbes will be leading the conference. Friday night session will be from 7-9:00 pm and Saturday mornings session will begin at 8:30 am. A "Youth for Life Walk" is being planned for the month of April and talks are in the works for a Youth VBS. More details will be coming later.

10. In the absence of Mrs. Rose Long, Mrs. Lona Lockhart gave the WMU Report. A Day of Unity is being planned for February 21, 1998 at 7:00 pm at Roxboro Church. Our Spanish Pastor, Rev. Angel Cruz will speak, a representative of the Native Americans from Calvary Church will speak, Rev. Paul Jackson of Ebenezer Baptist Church will be asked to speak and Mr. and Mrs. Dan Greenwood will be asked to present special music. This will be a community service and all churches will be invited to attend. The WMU Annual Meeting will be held on April 7, 1998 at Mount Harmony Baptist Church and will begin at 4:15 pm.

11. In the absence of Rev. Donald Harris, Rev. Ken Childers gave the Brotherhood Report. We were reminded that Baptist Men's Day will be celebrated in our churches on January 25. The Baptist Men's Convention will be held January 30-31, 1998. Denton Lotz, general secretary, Baptist World Alliance, Rerry Rae, executive director, South Africa Baptist Union, Taylor Field, director, Graffiti Ministry in New York, Bart Campolo president Kingdom works Ministry, Philadelphia, Kyle Matthews, renowned storyteller and contemporary concert artist, Nashville, Tennessee and Dough Berky, artist, presenting the gospel through mime will be at the conference. In March of this year, plans are being made to have the car competition. We are asked to contact the association office or Rev. Randy Queen concerning cars. Details will be coming concerning the date for the RA Derby. Sign-up for Camp Caraway needs to be done in March. A training for RA Leaders, Adult Campcraft, will be held on April 17-18. We were reminded of the Father/Son Mini-camps, June 29-July 1 and July 1-3. Forms for all of these activities were placed on the vestibule table. The Disaster Relief is working with the city and county concerning guidelines to follow in case of a disaster. If you would like to start a Baptist Men's group of any kind contact Rev. Donald Harris. We were asked to take proper steps to offer assistance to have available our church in case of any emergency. Please send the letter to the association office. A plaque was presented to Rev. Randy Queen for his service to Beulah Association in appreciation for his work and the outstanding service to the RA program.

12. Mr. David Long gave the Music Report. He informed the churches that if he could in any way assist in the development of music programs, to please let him know. The associational choir sing will be held on May 31 at Roxboro Church. The church is in the renovation process and we may have to change locations. More information will be coming about the event. A church music conference will be held at Ridgecrest June 20-26. Long Memorial Methodist Church and Roxboro Church are planning a handbell workshop on April 25. Contact David if you are interested in this workshop.

13. There was not a Media/Library Report.

14. In the absence of Rev. Angel Cruz, Mrs. Lona Lockhart reported on the Spanish Mission. She thanked Bethel Hill, and Roxboro Church for their help with the Children's Sunday School class. We are still in need of people to help with Sunday School. New user friendly literature has been ordered and will be available for use by the churches in Back Yard Bible Clubs and for other uses. Contact the associational office if you can help with our mission children or if you would like more information.

15. Dr. Warf asked if there were any other reports or miscellaneous business. Dr. Victor Blackwell informed the committee that only twelve or so spaces are left for the Acteens Convention in Louisville and if anyone wants to go, spaces are on a first come first serve basis. Dr. Warf told of the involvement of some of the area churches in the Burch Avenue mission project. Tuesday afternoons the churches offer a Bible Study for the children. The adults have asked for a Bible Study for adults. We were asked to be in prayer for our involvement with this special project. This is a good mission opportunity right here on our door step.

16. Rev. Ken Childers gave the Director of Missions Report. A team will be leaving from Beulah Church Friday morning to do work at Mundo Vista. If anyone is interested, they need to contact Hassell Oakley. They will be returning Saturday afternoon late. Rev. Childers recognized the new pastors in the association. Rev. Steve Nauman of Rock Grove Church and Rev. Kenny Dubnick, who could not be present because he was leading a youth retreat, has been called to Somerset at full time pastor. Rev. Childers wanted to state his appreciation for the optimistic reports and the spirit that he senses through the council and he is excited about the future and what God's is doing among His churches. He stated that if we unite ourselves hand in heart with each other and with God that we might move together in this association to share his love through the things we have shared tonight. He urged those present to let us know at the association office if we can be of service. Rev. Childers closed the meeting with prayer.

Due to the resignation of Dr. Clay Warf, Roxboro Church, Moderator for the Association, Mr. Alvin Dickerson, Vice-Moderator, has been asked to take the position as Moderator, leaving the position of Vice-Moderator vacant. It was recommended that Rev. David Moore of Bethel Hill Church fill the position of Vice-Moderator. Also, due to the resignation of Dr. Stan Hare, Yanceyville Church, the position of Secretary of the Ordination Committee is vacant. It was recommended that Rev. Brian Detrick of Bethany Church fill the position of Secretary of the Ordination Committee. The motion was seconded and approved.
7. The Brotherhood Report was given by Rev. Donald Harris. Rev. Harris thanked all of the men and women who put forth such a tremendous effort to make the RA Derby such a success. Special thanks to Mr. Garr DeHoog for his work as our RA Director for the association. Facts about mission education and mission involvement were given. Special dates were mentioned and a Baptist Men Ministry package would be sent to leaders in later weeks.
8. A report was given on the WMU Annual Meeting held Tuesday, April 7, 1998 at Mount Harmony Church. Rev. Paul Jackson, Ebenezer Church spoke during the afternoon session and Lilly Chou spoke at the night session. At that meeting 1998-99 WMU Associational Officers were installed.
9. The Treasurer's Report was available through printed handout on the vestibule table.
10. The Sunday School Report was given by Rev. Joe Grubbs. On April 3-4, 1998, five ACTeam members from our association attended ACTeam Training at Forest Hills Baptist Church in Raleigh. The training focused on equipping our churches for a better and wider scope of ministry through Sunday School. ACTeam members were introduced to the 1998-99 teaching series entitled, The Power to Change Lives, The Complete Guide for Building a Great Commission Sunday School. This series will be highlighted at the Associational Training School. Our plans are to hold an association-wide training for pastors and all Sunday School workers and assistants on August 27. ACTeam members are available now to consult with individual churches and/or Sunday School Directors. Please contact the association office if you would like an ACTeam member to consult with your church. On Sunday, April 5, 1998, the Children's Bible Drill was held at Providence Baptist Church in Providence, NC. Five churches participated with sixteen children participating. Of these sixteen, ten advanced to the State Drill which was held in Raleigh on April 18 and in Asheboro on April 25. Eight were State Bible Drill winners. For the second time in Beulah Associational Bible Drill history. we had one Youth Bible Drill participant from Providence Baptist Church. She progressed to the State Drill held in Asheboro on April 24.

11. The Discipleship Training Report was given by Rev. David Moore. Rev. Moore reported that he was encouraged by the turnout for the Experiencing God Class being held at Yanceyville First Baptist Church. His prayer is that we work together to create a network for discipleship training across our association. In the near future, we will be setting a date for a meeting in order for us to consider how to develop a strong discipleship training network. Without the support and involvement of your church, we cannot be effective with this meeting. We were urged you to come and share with us so that we may work together for Jesus Christ.
12. There was no Youth Report.

Help is needed of people who will help with transportation and who will help with Sunday School for the children. We were reminded that you do not have to speak Spanish to teach the children. They speak English. Continue to remember Nueva Esperanza in your prayers. There is much work to be done and the workers are few.
16. There were no other reports.
17. Under Miscellaneous Reports, Rev. Don Harris told that Progressive Baptist Church in Limon, Costa Rica, has requested a team to come and do some repair work on their church and do a revival and or a Bible School for them. A number of people from various churches had expressed a desire to do this. Therefore, the Mission Development Committee moved that the Beulah Baptist Association sponsor a mission team to go to Costa Rica to carry out this request. The team would go in early 1999, very likely February, as this is the time they usually have VBS and the weather is better for construction. The motion was seconded and approved.

Brady Stephens, Crusade Director for the Clyde Dupin Ministries, who gave a presentation, showed a video and answered questions concerning the Clyde Dupin Crusade to be held September 20-24, 1998 at 7:27 p.m. Before Rev. Stephens spoke, Rev. Childers made the motion that the next Executive Committee Meeting be moved up a week so as not to conflict with the Crusade. The Associational Council Meeting would be held on Thursday, September 10, and the Executive Committee Meeting will be held on Monday, September 14. Motion was seconded and carried.
19. The meeting closed with prayer.

A TRIBUTE TO RACHEL CATES
August 20, 1929 - October 17, 1999

"God, You are worthy of the highest praise.
Fill my mind with words pleasing to Your ears and my heart
with joyful song."

This is a tribute to Rachel Cates, who died October 17, 1999. She was a wonderful Christian worker at Roxboro Baptist Church, Beulah Baptist Association, and in her community. While at Roxboro Church, she served as WMU Director for several years and was always a loyal WMU member when not a leader. Rachel loved children and directed VBS for her church. She served as a Department Sunday School Director and teacher for several years. She also helped with the Children's Choir and went to Belize on a mission trip. While a member of Antioch Church, she was a Sunday School teacher and a deacon.

She served as Associational Vacation Bible School Director, WMU Director, Nominating Committee Chairperson, and volunteered at the association office. In community work, she was a member of the Person/Orange Board; on the Board of Directors at Murdoch Center in Operation Santa Claus; and served with the OPC Board for some time in Chapel Hill.

Rachel was born with club feet and her heels missing. She was in a cast as a tiny baby and for a long time there after. In spite of her handicaps, she went on to finish high school and college, which showed a lot of push and intestinal fortitude. While in college, she worked with the State Mission Board at Wingate Junior College and at Wake Forest where she graduated. After graduation, she worked in Rankin, PA., with the American Baptist Convention doing missionary work.

In 1967, she had to return home due to rheumatoid arthritis, (the crippling kind), and spent two years in and out of hospitals. After this, she went to work with the Person County Board of Education, teaching Special Education children and was an active member of the ARC, (Association for Retarded Citizens), in Person County.

She had a heart of gold and a bright outlook on life in spite of her physical disabilities. We, her family and friends, miss her but are happy to know that she is now without pain and is at home with her Lord.

DIRECTOR OF MISSIONS REPORT
1999

Greetings were sent to Rev. and Mrs. Hassell Lamm from the 165th Annual Session of the Beulah Baptist Association. A garden dish was delivered earlier in recognition of Rev. Lamm's service for over thirty-two years as Director of Missions for the association. Your prayers and visits are very much appreciated by Margaret and Hassell. Ken noted that The Commission magazine can be ordered in bulk, delivered to your church at no charge.

A big thank you goes to all those who are on the program for the Annual Meeting and to all of those who planned and prepared in any way. We are grateful to our pastors and our interim pastors for their service to our churches.

Reference was made to Scripture, Acts 4, when Peter and John were told not to preach. Our theme for these sessions are "Y2K: Yielding to the King, Entering the New Millennium with a Renewed Zeal for Christ." These men did not yield to the power of that day but to the King of Kings. They fell on their knees and began to pray that God would help them overcome any obstacle. We, as children of God, need to pray that God will equip us to meet the challenges as He equipped the early church. We need to fall on our knees and recognize Him as sovereign God, go to his word for guidance and direction, and share that word with the world around us.

We face many challenges in the future. On Thursday, November 8, 1999, at 7:30 p.m., Westwood Church, we will have a meeting concerning the idea of having an associational office center. There are two options that we may pursue for land for this project. More will be announced at the meeting. This is a called association meeting by our association office committee, the moderator, and DOM.

You have heard the reports for our various offices and heard of the work that is going on in our association. I would like to thank you for all that you do to support the work of the association. We have started Disaster Relief efforts for the victims of Hurricane Floyd. As of today, we have collected over $25,000 for this relief effort. We have been contacted by the Convention as to the needs for the relief effort.

We have much to do in our association. We need to be reaching out into our community for our Lord. We've heard a lot about missions during our meetings. As we move into the new year, let us continue to work to face the challenges, opportunities and responsibilities that face us. We look forward to a great year together. Please let us know of any way we can help you through the association office. We are here to serve you.

Serving Him Together,
Rev. Ken Childers

SUNDAY SCHOOL REPORT

Soon, we will move into a new century. What place will Sunday School play in the coming years? Will it remain a priority among Southern Baptist? Every indicator seems to point toward one truth: as Sunday School have been the backbone of the church. Therefore, before we step across the threshold of another century, let me ask you to make a commitment to your Sunday School work.

We have in place now a team of Resource Specialist available to help you in the area of Sunday School needs. These Associational leaders cover all age groups from Senior Adults to Pre-school Children. They will be is our hopes to provide training for your teachers and leaders sometime next year.

The New Century will also bring some changes in the Sunday School curriculum beginning with your Fall order in 2000. Each age group will be offered the Family Bible Study series. Then, there will also be an alternate selection available that offers a more specialized study for that age group.

Finally, let me encourage you to keep emphasizing Sunday School, pray for your church's program, and pray for your Associational Team. Let us work together to make Sunday School the reaching, teaching, and winning arm of our churches.

Until He Returns,
Rev. Victor C. Blackwell

VACATION BIBLE SCHOOL -1999

The Vacation Bible School Clinic for all age levels was held on Tuesday, March 23, at Roxboro Baptist Church, beginning at 2:00 p.m. A "floating" clinic was held at this time. Due to the illness of Mrs. Rachel Cates, age level coordinators put information for the clinic together. Our goal is the same, to help as many people to have unforgettable Bible Schools as we can. Thank you to all the people who worked so hard to make our clinics possible.

DISCIPLESHIP

I'm thrilled and encouraged by the Annual Church Performance Report this year. Discipleship training has increased across our Association. Churches are using this program on Sunday and Wednesday night. I think you will find that this tool will cause your Church to grow in spiritual maturity.

Thank you for your support and please continue your involvement in discipleship training.

Respectfully submitted,
Rev. David R. Moore

EVANGELISM

Our year in Evangelism has been outstanding. Our Lord has blessed the efforts of many throughout the year. Our first Senior Adult Revival Service was held at North Roxboro Baptist Church, June 21-23, 1999 at 10:30 each morning with Rev. Ralph Webb of Greensboro as our special Guest Evangelist. Rev. Jonathan Taylor, Associate Pastor and Music Director of Westwood Church directed the music. Mrs. Rachel Hines, Westwood Church, accompanied on the piano. Each service was followed by a meal. A good time of fellowship and praise to our Lord was enjoyed by all. We hope to see more senior adults as we plan to hold our second revival this coming year.

Our Second Evangelism Banquet was held on August 20, 1999, at Somerset Baptist Church with around two hundred people in attendance. Dr. Waylon Owens, professor from Southeastern Seminary, and former missionary to Alaska did an outstanding job of bringing our evangelistic sermon. Special music was performed by Miss Brandy Talley of Calvary Church and Southern Grace of High View Church. Our Third Evangelism Banquet is being planned.

December 31, 1999, over two billion Christians worldwide will "Celebrate Jesus." Jesus has made a difference in our lives, in our homes, in our jobs, in our churches and in the life of the Beulah Baptist Association. This is a very special time for every Christian.

Rev. Jimmy Pulliam

BROTHERHOOD REPORT - 1999

Even though we did not have a Brotherhood Director last year, we felt that a lot of good things have been going on in Beulah!

On Saturday, September 11, 1999, at the Caswell Pines Golf Course in Yanceyville, our First Golf Tournament was held. The proceeds from the tournament were used to help with the expenses of getting our Missionary pastor from Costa Rica, Armando Hammond, to speak at our Annual Meeting. The balance left from those expenses will go toward our Associational Office Building Fund. Thank you to all who made this event such a success. Special thanks to Rev. David, Moore, Mr. Alvin Dickerson and Rev. Donald Harris for organizing the tournament.

The Baptist Men Medical Dental Van was in our Association on Sunday October 3, 1999. Mrs. Tammy Moore of Beulah Church coordinated this event at the Prospect Hill Health Center. Quite a few people were helped by the dental services. As we plan to make this a yearly project, please be in prayer as to where the Lord will have you serve.

As of Monday September 27, we had received over $20,000 that will be used for Disaster Relief for the victims of Hurricane Floyd and the flood. One transfer truck was filled from bottom to top and filling a second truck was started. People from all walks of life have helped collect, sort, pack and load the items that have been given. Four feeding units from our NC Baptist State Convention and at least four from other states prepared thousand of meals each day.

A special "thank you" to those who have traveled from Beulah Association and given so sacrificially to helping our brothers and sisters in Christ....To those who helped repair a mobile home so that a home could be provided for a family who lost their home....To those churches who have partnered with churches and families to rebuild. THANK YOU

Hassell Oakley of Beulah Church, Louie Oakley of Providence Caswell, Cecil and Wilma Foushee, Alfred and Joyce Snipes, and Carl and Sybil Crabtree, of Berry's Grove are people who are known to have traveled and worked weekly to help in the Disaster Relief effort.

YOUTH REPORT

This year's See You At the Pole Rally promises to be one of the best ever. This rally will be held on Saturday, September 11 at 7:00 p.m. The place will be announced later. Tow years ago Images Creative Group came and led us for this special event. This year For Real, a group started under the ministry of Images, will be sharing with us through music, drama, comedy, and speaking. This rally is to promote the See You At the Pole Day that next Wednesday, September 15. The students will meet around their school's flagpole to pray for their schools, friends, Roxboro, and our nation. Because prayer is so important, we are excited to be involved in this national event.

There are also two Youth Crusades in the planning stages right now. The one in Caswell County is planned for November and we will have many opportunities to support it in many different ways. The one in Person County is being planned for the spring os 2000. The speaker will be Brad Jurkovich who is a Youth Evangelist. It is still in the preliminary stages of planning. Stay tuned for more details.

The most exciting thing in the works is the possibility of having a new Christian Club on each of the Jr and Sr High campuses. There is an incredible need for ourtreach and ministry to take place on these campuses. These clubs would be student lead but they would need a network of support from the youth ministries in the area. If you would like to help in any way, please contact me ASAP.

Again, please support the youth and youth ministry of your church with your prayers, time, and money. Also, be in prayer for us as we seek to be an Associational Youth Ministry that reaches youth for Christ and helps the churches grow young disciples.

Respectfully submitted,
Jonathan Taylor
Associational Youth Director

GOD IS....

God is Lord Almighty, Omnipotent King, Lion of Judah, Rock of Ages, Prince of Peace, King of Kings, Lord of Lords, Provider, Protector, Paternal, Leader, Ruling Lord, and Reigning King of all the universe. He is Father, He is Helper, He is Guardian, and He is God. He is the First and Last, the Beginning and the End. He is the keeper of Creation and the Creator of all He keeps. The Architect of the universe and the Manager of all times. He always was, He always is, and He always will be, Unmoved, Unchanged, Undefeated, and never Undone. He was bruised and brought healing. He was pierced and eased pain. He was persecuted and brought freedom. He was dead and brought life. He is risen and brings power. He reigns and brings peace. The world can't understand Him. The armies can't defeat Him, the schools can't explain Him, and the leaders can't ignore Him, the Pharisees couldn't confuse Him, the people couldn't hold Him! Nero couldn't crush Him, Hitler couldn't silence Him, the New Age can't replace Him, and Donahue can't explain Him away! He is light, love, longevity, and Lord. He is goodness, Kindness, Gentleness, and God. He is Holy, Righteous, mighty, powerful, and pure. His ways are right, His word is eternal, His will is unchanging, and His mind is on me! He is my redeemer, He is my Savior, He is my guide, He is my peace. He is my Joy, He is my comfort, He is my Lord and He rules my life. I serve Him because His bond is love, His burden is light, and His goal for me is abundant life. I follow Him because He is the wisdom of the wise, the power of the powerful, the ancient of days, the ruler of rulers, the leader of leaders, the overseer of the overcomers, and the sovereign Lord of all that was and is and is to come. And if that seems impressive to you, try this for size. His goal is a relationship with ME! He will never leave me, never forsake me, never mislead me, never forget me, never overlook me, and never cancel my appointment in His appointment book! When I fall, He lifts me up. When I fail, He forgives. When I am weak He is strong. When I am lost, He is the way. When I am afraid, He is my courage. When I stumble, He steadies me. When I am hurt, He heals me. When I am broken, He mends me. When I am blind, He leads me. When I am hungry, He feeds me. When I face trails, He is with me. When I face persecution, He shields me. When I face problems, He comforts me. When I face loss, He provides for me. When I face death, He carries me Home! He is everything for everybody, everywhere, every time, and every way. He is God, He is faithful, I am His, and He is mine. My father in Heaven can whip the father in this world, and so, if you're wondering why I feel so secure, Understand this: He said it, I believe it, and that settles it. God is in control, I am on His side, and that means all is well with my soul. Everyday is a blessing for GOD Is!

(35) Say not ye, There are yet four months, and then cometh harvest? Behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest.
(36) And he that reapeth receiveth wages, and gathereth fruit unto life eternal: that both he that soweth and he that reapeth may rejoice together.
(37) And herein is that saying true, One soweth, and another reapeth.

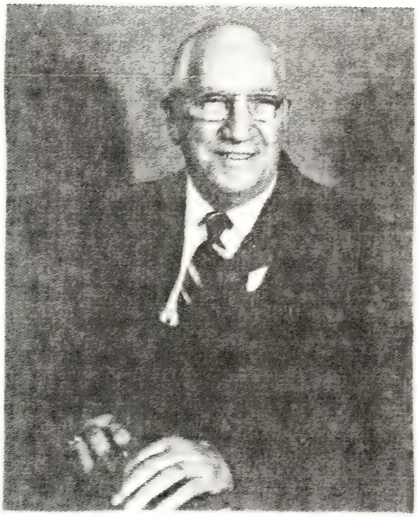
John Morrall Wesley



On February 18, 1909, in a little log cabin near Lennig, Virginia, John Morrall Wesley was born. He was one of thirteen children, seven boys and six girls. At the age of seven he started school at Buffalo Virginia in Halifax County. At the age of sixteen, John quit school to work to help support the family. On August 1, 1925, he got his first job away from home. In 1928, on February 12, He came to North Carolina and got a job with Roxboro Cotton Mills. In 1929, John Wesley worked for the N. & W. Railroad. Later he worked with the State of North Carolina as a prison guard and truck driver. In the thirties, he went to work with Roxboro Lumber Company. In 1941, he went to Civil Service at Camp Butner and in 1945 after the war was over, he went back with Roxboro Lumber Company.

In 1923, when he was fourteen, John made his profession of faith in Christ and joined the Brookneal Baptist Church. While working with Roxboro Lumber, he attended Grace Methodist Church with his brother Dewey. On the 24th day of September 1933, he married Elizabeth Taylor Echols and in 1936 built a four room house on Barnette Avenue. In was in April of 1949, on Saturday afternoon before Easter Sunday, that John was with his pastor, Reverend Henry Duncan, that he heard the call of God on his life to the ministry. He said the voice has always been his burning bush, just as God called Moses from a burning bush.

When He entered the ministry, he was 40 years old, married and had three children, no education, and very little money. He did own his own home and it was paid for. On July 10, 1949, Cavel Baptist Church, under the recommendation of Reverend H. R. Starling, granted John Morrall Wesley a license to preach the gospel. Two weeks later, he was called to be the pastor of Theresa Baptist Church. He was ordained September 18, 1949 by Cavel Baptist Church.

While serving as pastor of Theresa Baptist Church, the membership rose from 155 in 1949 to 537 in 1975. Sunday School rose from 55 to 365. In 1951, they built a new church sanctuary, in 1952 they built a new Sunday School building in 1966 built another educational building and then in 1970, they had to double the size of the sanctuary, choir loft and baptistry.

In 1949, Rock Grove extended him a call to become their pastor with preaching at 9:30 a.m. and with permission from Theresa, he accepted the call. In 1951, Rock Grove went full time and he resigned from Rock Grove in December 1953. He started to preach for Bethany Baptist Church two Sunday afternoons a month on the second and fourth Sunday, at 3:00 p.m. He served Bethany for ten years and five months and resigned in May 1964.

In 1955, while the pastor of Theresa and Bethany, Olive Branch Baptist Church also asked him to become their pastor. At that time he was preaching at 3:00 p.m. at Bethany on the second and fourth Sunday and 11:00 a.m.. and 7:00 p.m. at Theresa. He explained this to the pulpit committee from Olive Branch and they said that they were aware of his preaching schedule and they would settle for a 9:30 a.m. service on each Sunday and prayer meeting on Thursday night. After getting the other two churches to agree for him to preach at Olive Branch he promised to try it for a while, this was in July of 1955, and he was their pastor for more than twelve years until October 1967.

In 1958 they entered into a $ 150,000.00 building program at Olive Branch. In 1962 they moved into the new building. The sanctuary would seat 500 and they had 36 class rooms and a full basement.

During this time in 1956, John Wesley entered Southeastern Baptist Theological Seminary at Wake Forest, North Carolina, where he graduated in May 13, 1960, with a certificate in Theology, in 1977, on May 4, he received an associate degree from Southeastern.

After twelve years at Olive Branch, Theresa wanted to go full time and he was faced with a decision because both churches had asked him to stay with them. After prayerful consideration, he felt led to stay with Theresa his first church, where he retired, September 1, 1975.

Two weeks after he retired, he was called to the Providence Church as interim, where he served for serval months. After this, he went to Second Baptist Church in South Boston, Virginia and served for eight months, and then served in Mount Vernon Baptist Church in Vernon Hill, Virginia, then North Roxboro Baptist Church. On his fifteenth anniversary as pastor, the Bethany Church had a special service with dinner this was in March, 7, 1982 when they celebrated its centennial.

Let's turn back the clock a few years. When he was the pastor of Theresa, Bethany and Olive Branch at the same time, these three churches were located in three corners of Person County, in a triangle. They were twelve to twenty-five miles apart and from six to twenty miles from where he lived. To preach at these three churches three times on the first and third and four times on the second and fourth Sunday meant that when he closed a service at 10:30 a.m. and then had to drive twenty miles to Olive Branch at 11:00 a.m. He didn't have any time to lose. This meant that he had to come through Roxboro, red lights, traffic and all during these ten years and was late only a few times.

I'm so glad I was asked to put a little history of John Wesley together because he meant so much to me. I remember so well the morning I was saved at Theresa Baptist Church and the patience Brother Wesley had with me. There was a revival a few weeks before with Rev. Milton Warf, Dr. Clay Warf's father, with many people saved during the revival and afterwards. There were more than fifty to be baptized at Stores Creek Pond after that meeting. I was one of those. I have a lot of love for the memory of John Morrall Wesley whom I consider to be the prophet of Person County in his day and for the days that remain.

Roxboro and Person County is a much better place, because one time there was a preacher by the name of John Morrall Wesley.

Respectfully submitted,
Buddy Hall

DIRECTOR OF MISSIONS REPORT
2000

I want to thank everyone for the good reports we have heard during this annual session of the Beulah Baptist Association. We have also had some challenges and opportunities for service presented to us. God is going to bless and use us in the days to come if we will be obedient to Him.

Let me also thank the program committee who have worked to make this meeting a success. We have been blessed by the special music, good and challenging speakers, the fellowship, good meals and hospitality of host churches.

Someone has already said what I planned to say or use the scripture that I had planned in my report. However, I want to read I Corinthians 3:6-9. This Scripture tells us that we can all be involved in bringing a harvest for the Lord. Some plant, another waters, but all is in vein unless "God gives the increase." We labor in vein unless God leads us and blesses our efforts. My goal is to seek God's guidance in leading this association to a bountiful harvest.

I learned long ago is John 14:14, if we would ask in His name he would bless us and provide for our needs that our lives might honor Him. Even Jesus said, In John 14:10 that He did not do the work but that the Father that dwelleth in him does the work. How much more do we need to depend upon the father? We can't do it but he can and will do it through us if we ask Him.

There are many seeds to be sown and a harvest to be gathered by those of us in the churches of the Beulah Baptist Association. Some here and some in other places around the world.

I was recently blessed when our Spanish pastor came and told me of the man who had left our Spanish mission and returned to Mexico. He had started a Bible study in his home that had grown into a congregation of over fifty people. They need Bibles, hymnals, etc. We have sent some Bibles. They also need help. We hope to send a mission team this summer.

We received a call from Pastor Armando Hammond in Costa Rica requesting a team to come and help with a mission they have started. Our Executive Committee has approved this request and we plan to go in early 2001.

A challenge here at home is the construction of our association office center. Many have already given money for this project. We need to go back to our churches and get them involved.

These are some of the challenges and opportunities before us. You have heard this in the reports and from our speakers. With God as our helper let us move to the challenge to plant in order to reap a good harvest to His honor and glory.

In closing I want to especially thank my wife and companion of 32 years for her faithful service with me. Let me thank Lona for the great job and many hours of labor of love she does as our administrative assistant/clerk to help bring all of this together and finally I want to recognize our retiring moderator, Mr. Alvin Dickerson for an excellent job. It has been a pleasure to work with him. This plaque is a small token of our love and appreciation to him. As he comes to receive it, I want his wife Audrey, to come and accept this plate of fried pies I made as my appreciation for her sharing her husband for many hours involvement in the work of the association.

Thank you all for your faithful support and may God bless and use all of us in the work of Beulah Baptist Association.

Your Associational Missionary,
Rev. Ken Childers

SUNDAY SCHOOL REPORT
2000

This has been an exciting year in Sunday School. We have moved into a new century and with the move comes many challenges to our churches.

Our Sunday School leadership team attended the annual State training session in Greensboro in February. We also visited another Association's Sunday School leadership training in order to get a better feel for how others are doing their work.

In late April, we conducted our own training program and had approximately 115 people from eighteen churches attend. This was the first such event in several years in our Association. Our team offered help in all ages ranging from Pre-school through Senior Adults. While we may not have achieved every goal, I felt good about our effort and the team commits to do the best it can in future projects. Thanks to each team leader and to you the members of Beulah Association for your participation.

This Fall a major change occurred in the Sunday School curriculum as LifeWay introduced new materials. I realize change always raises certain concerns as well as tensions. However, the vast majority of our churches have continued to do what they always have done, "offer a high quality of bible Study to every Sunday morning attendee." Some changes will take place beginning this year on the State level also. Key Leadership training will now be offered on a regional basis with Associations being grouped in clusters.

Let me just restate the commitment of your Sunday School team. We want to provide you the needed help and resources to make your Sunday School more effective. It is our hope that we can provide general as well as specialized events in the future.

Finally, let me encourage you to keep emphasizing Sunday School, pray for your church's program, and pray for your Associational team. As Southern Baptist, I believe we have available the best resources for doing God's work and sharing Christ in our world. So, let us be busy doing both.

May His Blessings Be Yours,

Rev. Victor C. Blackwell

EVANGELISM

Some of us are not doing to well when it comes to Evangelism. Each year we come up short in reaching people for the Lord. It might be that we need to look and see where we are standing when it comes to evangelism. What has value to it, what is important?

Jesus Said, "Go into the city to a certain man, and say to him, the Teacher says, My Time is at hand. I will keep the passover at your house with my disciples." (Matt. 26:18)

What is important? Time is important. Now is the time to reach people for the Lord. Tomorrow might be to late.

What is important? The place is important, "The teacher says I will go to your house, your place. The church that you serve in, the association that you serve in, the State Convention that you serve in and the Southern Baptist Convention that you serve in. That's the place.

What is important? The fellowship is important. "At your house with my disciples. God's family meeting together. Doing it together under and through God's Power.

What is important? The reason is important. Jesus was preparing His disciples for Hid death on the Cross. Jesus was preparing His disciples for His resurrection. We are commanded by God to point lost souls to Jesus. All that the Lord has done and is doing and will do has in mind a lost soul coming to Jesus.

Love in Christ,
Rev. Jimmy Pulliam
Evangelism Director

A MINISTRY OF LOVE

"Peace is not a smooth untroubled river
Beneath a sunlit sky, serene and warm-
The peaceful heart is like a trusting songbird
Who clings to hope and sings throughout the storm.

Isaiah 26:3 You will keep in perfect peace him whose mind is steadfast because he trusts in you.

The Sally Furr Turban Project

This turban is a gift from the women of Shiloh Baptist Church in memory of Sally Furr and in honor of Cindy Smith. We pray for your healing and God's blessings on your life. If you, or someone you know is in need of another turban, please contact"...

Are the words printed in an insert that comes along with the gift of a turban that the WMU of Shiloh Baptist Church are making and distributing. Shiloh Church is a small church with fifteen WMU members. Some ladies machine stitch, some do fingerwork, some contribute to expenses, one prints the insert, all are praying, and the Lord is working.

One of the ladies called and told me of the ministry and how it was started. She had been reading a magazine and came across an article entitled "Sally's Turbans." Velma Rice of Aldie, Virginia, had written the article. Sally Furr had asked her friend, Velma, if she could devise a pattern for a really comfortable turban. Velma came thru and Sally enjoyed her turbans so much that a group of ladies from Aldie United Methodist Church decided to help others undergoing chemotherapy. Sally passed away in January of 1999. The ladies continue to make turbans in her memory.

Mrs. Carolyn Hudson of Shiloh Baptist Church was so moved by this article that she sent a donation to help out with expenses. You can guess her surprise when she received a note from the ladies along with a sample turban, pattern, instructions, and request that this project not be done for profit. She didn't know how to sew a stitch so she knew that the Lord was up to something!

Mrs. Hudson took the information to the WMU ladies and after much prayer, they all agreed to give it a try. The Lord had worked out all the details. The group received free material, thread, and elastic. They have made and distributed over a thousand turbans and have more cut out and ready to sew. They have received over two hundred requests from twenty nine states and a foreign country. The group feels that the Lord has truly blessed this project. The turbans are dedicated to Sally Furr and to a young mother from Shiloh Church, Cindy Smith, who was diagnosed with a brain tumor. After two surgeries and radiation, she is doing great.

Mrs. Hudson stated, "Our prayer is that every lady within our reach who is undergoing chemotherapy will know that someone cares." If you are interested in more information about or would like to begin a turban ministry, or are in need of a turban, please contact Mrs. Carolyn Hudson, 336-234-7546, or the Beulah Baptist Association office, 336-599-6117.

MISSIONS REPORT/DOWN EAST/2000

September 16, 1999 is etched in the memory of thousands of folk "Down east" in North Carolina. A tremendous amount of water raised creeks and rivers out of their banks and the waters inundated everything in its wake for miles and miles and miles. Thousands of people were displaced in just a few hours. Many had no opportunity to save anything.

While the waters were still rising, NC Baptist began an operation to provide meals and assistance to the homeless. Beulah Baptist churches soon joined with teams of two and three and more traveling miles down East first to Wilmington, next to Goldsboro, then to Grifton and other small towns and villages.

The Biblical Recorder kept us abreast of the numbers and locations and challenged anyone who could help in any way to respond. People did respond and joined hands with fellow volunteers from Texas to new York and from Florida to Ohio.

Under capable leadership from people like Billy and Deide at Grifton, the homeless were encouraged to come seek help and let their needs be known. One effective plan involved a church partnering with a family to restore their home. When this is done, friendships and trust are established that will last forever.

To date, thirteen months after Floyd, nearly one half of the over four hundred families left homeless are back in their homes, a testimony which reveals that when God's people pull together much can and will be accomplished.

The pastor of First Baptist Church in Grifton said, "God has opened a wide door of opportunity. If we fail to walk through it we will be the losers." Thanks to everyone, every church in the Beulah Association, that has helped in any way. What you did is reflected on the faces of thankful people who had no way to help themselves. You have made a difference and it has been recorded "Down East" and in Heaven.

Respectfully submitted,
Rev. Alfred Snipes

"Touching Lives With Hope"

HOSPITAL CONTINUES THE MISSION

In May of 2000 The North Carolina Baptist Hospitals, Inc. celebrated 77 years of regional, national, and international service. During these years the hospital has been faithful to the initial vision of the North Carolina Baptist State Convention. When the hospital opened the convention stated the reason for doing so was: to extend the healing ministry which was demonstrated by Jesus Christ. Many challenges have been faced through these years, but the commitment to compassionately strive for innovative excellence has remained the same.

BAPTIST BENEVOLENT CARE FUND

Baptist churches from all across North Carolina joined us in mutual mission through the Mother's Day Offering. This annual ingathering of love was approved by the Baptist State Convention of North Carolina in 1924. In 1999 the MDO amounted to $531,452. These funds were used exclusively to help patients who had minimal or no health care insurance and had no other financial means to pay their hospital bills. From the offering this past year, well over $200,000 was used to assist members of our Baptist churches in North Carolina.

SCHOOL OF PASTORAL CARE

During the year the Department of Chaplaincy and Pastoral Education provided worship services in Davis Chapel on Monday, Wednesday, Friday and Sunday as well as services in the J. Paul Sticht Center. Chaplain supervisors, residents and interns made more than 50,000 ministry contacts last year. The Department's fully accredited Clinical Pastoral Education program graduated 65 students.

The Department of Pastoral Counseling, CareNet, Inc., continues to develop its ministries. There are now 16 Christian counseling centers located across the state. The newest center is now open in Greenville and is the staging ground for serving northeast North Carolina. During the year these professionally staffed centers provided 27,293 hours of Christian counseling, making CareNet the largest pastoral counseling system in the United States.

The Center for Congregational Health, Inc. continues to develop its mission of helping congregations become healthier communities of faith. **Programs and assistance** offered to churches include Intentional Interim Minis-ry, strategic planning, staff and team development, and conflict management. **Resources for ministers** include: Young Leaders Program, Leadership Development Group, Interim Ministry Training, and Intentional Interim Min-stry training. The Center has served an average of 21 North Carolina Baptist congregations a month during the past year.

FACTS ABOUT WAKE FOREST UNIVERSITY BAPTIST MEDICAL CENTER

With more than 9,600 employees, we are the largest employer in Forsyth and Guilford counties.

A Certificate of need was granted for a 47,000 square foot Downtown Health Plaza to be built replacing the Reynolds Health Center, which provides health care for underserved people in Forsyth and surrounding counties.

Building strong relationships with the community is important to us. A recent survey indicates that Medical Center employees donate more than 30,000 hours of volunteer service a year to more than 300 different organizations in our area.

Construction has begun on a 350,000 square foot addition atop Ardmore Tower. This will provide more space for Brenner Children's Hospital as well as additional operating suites and private patient rooms.

ADDITIONAL POINTS OF EMPHASIS AND PROGRESS

New Dental Program For Indigent Children - Baptist Hospital has become a major participant in a community partnership to provide dental care for indigent children. NCBH opened a dental clinic on May 8, 2000, where three dentists are treating hundreds of children who previously had little or no access to dental services. Children who had known dental pain as a way of life, or who never had routine services because their parents could not afford it, are now being treated.

Physician Excellence - In 1999, 600 physicians in North Carolina were listed among "The Best Doctors in America"; 95 are WFUBMC physicians.

Nursing Excellence - Baptist Hospital was one of the first hospitals in the nation to receive Magnet Recognition for Excellence in Nursing, demonstrating exemplary nursing leadership and quality patient care from the American Nurses Credentialing Center, the nation's leading nursing credentialing organization.

Ranked Among The Nation's Best - North Carolina Baptist Hospitals, Inc., continues to be ranked among America's best hospitals in ten of 16 specialties, according to rankings published in the July, 2000 issue of *U.S. News & World Report*. This ranking reflects the reputation of specialists at NCBH as seen by their peers across the nation.

Newest Treatment For Epilepsy - Wake Forest University Baptist Medical Center offers a new treatment for epilepsy - a "pacemaker for the brain" that can help control seizures in patients who are not helped by medication and are ineligible for surgery.

Annuity Board Report
2000

The Annuity Office of the Baptist State Convention of North Carolina in partnership with the Annuity Board of the Southern Baptist Convention provides services related to retirement planning, financial support of ministers and other church employees, life and health insurance programs, and church/clergy tax issues. During this past year numerous conferences, consultations, etc. were conducted to service our churches and church employees related to these issues. Education continues to be a number one priority since so many people do not participate in the plans simply because they are not aware of the great benefits.

On January 1, 2000, the Annuity Board began offering The Ministers' Annuity Plan. This new product is particularly designed for the minister who has self-employment income from performing services (i.e. weddings, funerals, revivals, writing) as a Southern Baptist minister, and others who may not qualify for one of the other Annuity Board retirement plans. Eligibility can be determined by contacting the Annuity Board's customer service area.

The Southern Baptist Convention in annual session in June, 2000, approved changes to the Annuity Board's Mission Statement and two new Ministry Assignments. The changes will now allow the Annuity Board to offer personal investing for Southern Baptist ministers and denominational employees and their spouses, and to assist churches and denominational entities by making available institutional investment services through cooperative agreements with state Baptist foundations.

As of May 31, 2000, there were 4,561 active participants in the annuity retirement plan from 61% of our North Carolina churches. The money contributed by individuals, churches, and the matching contributions from the state convention is invested according to the individual participant's financial goals and risk tolerance with the overall aim to help participants ensure their security in old age. The number of persons in North Carolina receiving retirement benefits totals 2,807 with another 368 assisted through the Adopt An Annuitant and Relief ministries. Funds for supplemental assistance are provided from the Cooperative Program, the Retired Ministers' Support Fund, and the Adopt An Annuitant plan.

For more information related to Annuity Board products and services, call the Baptist State Convention at 1-800-395-5102 extension 174 or call the Annuity Board at 1-800-262-0511 or visit the Annuity Board Web site at www.absbc.org.

Baptist Children's Homes of North Carolina

"Quality Service Through Quality Relationships" is not just a slogan. It is a foundational statement of philosophy. In our ministry, relationships are everything — relationships with children, with families, with placement agencies, with our own families and churches, and with each other. We are blessed by God in this work because we honor God in relationships.

During the QSTQR emphasis, all BCH staff at every ministry point have made extra efforts to strengthen relationships with the people we encounter. We have incorporated the terms quality, service and relationships into a plan of action. We have reflected our desire for quality relationships in everything we do in order to deliver quality services that change lives. QSTQR, celebrating the mission . . . the millennium . . . the ministry, was BCH's theme from Easter, 1999 through Thanksgiving, 2000.

Through Baptist Children's Homes of North Carolina, hundreds of children and families are given new hope for their futures. . .

> **Children like Linda and her two younger sisters. Linda feared for their well being. It was her responsibility to care for her sisters. Linda remembers moving to a shelter where she finally felt they were safe; there was enough food for the sisters and warm beds. The three children were later placed at BCH. Now, Linda is in a place where others care for her. Linda has discovered God cares for her, too.**
>
> **The McDonalds found the challenge of being a blended family difficult at times. Their son began to exhibit anger toward his parents. He would challenge their authority and began getting in trouble with some neighborhood kids. The situation was getting out of control. Corey's parents called BCH, where they a found a staff willing to embrace their family with hope. Today, Corey has begun to deal with his anger, mistrust and behavior issues. His parents are learning how to better communicate with each other and with Corey.**

During the past year, BCH served 1800 children and families through 13 facilities statewide. BCH operates residential campuses in Thomasville, Pembroke, Kinston and Clyde; a maternity home in Asheville; a teen mother/baby home in Lenoir; values change homes for girls in Franklin and Lenoir; therapeutic camping for boys in Cameron; emergency care cottages at the residential campuses and in Waynesville and Asheville; and a model day care center in Thomasville.

In 2000, BCH began a new, innovative ministry caring for developmentally disabled adults and their families. Our Trustees unanimously approved a major undertaking this year by committing more than $3.5 million to replace, repair, construct and make-much needed improvements at every BCH location. Most of the work is complete. You are invited to visit our campuses and other facilities to see first hand the difference you are helping us to make.

The commitment to quality has been a cornerstone of this institution since its beginning. **"Quality Service Through Quality Relationships"** was a 20-month public demonstration of this cornerstone. The emphasis places top priority on relationships to achieve the highest quality of service possible. Significant growth has been realized during this period. BCH has dedicated new structures at Odum Home, Cameron Boys Camp, Kennedy Home, Broyhill and Mills Home campuses and added new work in Waynesville and Asheville as well as Moody Home, Care House, Noel Group Home. Several significant anniversaries have been observed: the 85th of Kennedy Home in Kinston, the 30th of Baptist Maternity Home in Asheville, the 20th of Cameron Boys Camp, the 40th annual Western Area Conference, and the 115th anniversary of Baptist Children's Homes of North Carolina.

To help commemorate BCH's 115th anniversary and to celebrate the impact QSTQR has had on staff and children, approximately 600 children, administrators, childcare workers, social workers and staff were brought together June 28, 2000 from around the state for a day of inspiration, fellowship, food and fun. **"The Family Gathering"** was held at Mills Home where BCH began in 1885. This is the first time all the Baptist Children's Homes' "family" have been together at the same place and at the same time.

Baptist Children's Homes QSTQR emphasis will culminate at Thanksgiving. We invite you to attend BCH's 30 minute presentation at the 2000 annual meeting of the Baptist State Convention in Winston-Salem on Tuesday, November 14, 2000 at 2:10 pm. We encourage you to be part of our ambitious $1 million Thanksgiving Offering goal. That number may seem enormous, but there is also enormous need. For all the good North Carolina Baptists are doing to help children and families, there is still so much that needs to be done. We are confident our churches will help us meet this important goal!

The support of North Carolina Baptists through the Thanksgiving Offering, Cooperative Program, and individual gifts, memorials, honors, bequests and estate gifts help enable us fulfill our mission statement: **"helping hurting children . . . healing broken families."**

North Carolina's **"largest family"** is grateful to North Carolina Baptists for prayers and support. To secure a video or a speaker for your church, or for information about our services, please call (336) 474-1209.

Biblical Recorder Associational Report
June, 2000

Since 1833, the *Biblical Recorder* has served North Carolina Baptists as the official news journal of the Baptist State Convention. Founded by Thomas Meredith, the *Biblical Recorder* was owned and operated as a private enterprise until 1938, when the paper was purchased by and incorporated as an agency of the Baptist State Convention.

The *Biblical Recorder* promotes God's kingdom work in accordance with its mission statement: ***"Our Mission is to further Christ's kingdom among North Carolina Baptists by providing relevant news, insightful opinions and supportive resources in a timely and accessible fashion."***

As an agency belonging to all North Carolina Baptists, the *Biblical Recorder* provides balanced news coverage of Baptist news from throughout the state and reflects opinions representative of the diversity that is typical of our churches. The *Recorder* also includes periodic features designed to offer ideas, encouragement, and inspiration to readers.

In keeping with current needs, the *Biblical Recorder* maintains a frequently used site on the World Wide Web. This site (www.biblicalrecorder.org) offers Internet users an opportunity to read much of each paper's content several days before printed versions arrive. This is particularly helpful during convention meetings and at other times when frequent updates are desirable. As time and resources allow, additional features are being added to make the site an even more valuable source of information for North Carolina Baptists.

The *Biblical Recorder* works in partnership with the Baptist State Convention and receives annual support from Cooperative Program gifts as an agency of the Convention. This support makes it possible to offer the *Recorder* for just pennies per issue. The *Biblical Recorder* has not raised subscription rates in five years, but a string of steep postage hikes will almost certainly necessitate modest increases in subscription prices beginning in 2001.
Currently, the annual rates (including tax) are:

- Every Home Plan (20%+ of church families, paid through the church budget) - $7.42
- Club Plan (4 or more persons in a church subscribe together) - $8.48
- Individual Subscription - $10.60

Subscription packets and free sample issues are available. For more information, please contact:

Center for
Congregational
Health

Liaison with Associations Position Established

The Center for Congregational Health® at NC Baptist Hospitals is establishing a new position to relate to associations. Dr. Jim Murphy has been hired to direct this effort.

"The Center wants to strengthen our good reputation by developing strong alliances with associations to provide services to their congregations and ministers," declared Center President David Odom as he announced the creation of a new part-time position for a Director of Networking and Partnerships.

In past the Center has worked with local denominational groups on a case-by-case basis to develop services for congregations and their ministers. With this new position, Dr. Murphy will proactively seek input in service development from denominational executives and design services to meet the identified needs.

Dr. Murphy will pioneer this new approach with Baptist associations in North Carolina. He will also follow up on efforts made by the Center's staff that began with two conferences last year for associations. In the future, Dr. Murphy will assist the Center in establishing or strengthening relationships with other denominational groups.

Murphy is well qualified for the position. He has been a consultant with the Center for six years, and has served as The NC Baptist Hospitals liaison with associations as Director of Church and Community Relations for the past five years. Before that, Murphy was a pastor, serving a church in Durham for 20 years.

Center for Congregational Health

Coaching Ministry Created with Jack Causey as Director

The Center for Congregational Health® is launching a new ministry initiative with Dr. Jack Causey as the leader. After observing the trends in industry for executive coaches and considering the Center's experience with consulting for congregations, the Center has called a well-respected pastor and teacher to guide the development of a coaching ministry for ministers.

Dr. Jack Causey has been serving as pastor-mentor with the Center's Young Leaders' Program for the past four years. With his retirement from the pastorate of First Baptist Church in Statesville, NC, Dr. Causey is available to bring his years of mentoring experience to the development of a coaching ministry. Causey is a well-known leader in Baptist life having served the convention as president of the General Board.

In the business world, executive coaches are consultants who work with leaders in assisting their development in the setting in which the leader is working. Coaches do not normally have direct involvement in the setting, but serve as "behind the scene" advisors.

The Center has been practicing an informal ministry of coaching clergy for years. Now is the time to capitalize on the trends in leadership development to investigate offering a coaching service as one part of expanded leadership development offerings from the Center.

This new ministry is made possible by grants from the School of Pastoral Care at The North Carolina Baptist Hospitals, Inc. and the John E. and Aliese Price Foundation. With the grant, Dr. Causey will work part-time for one year testing the need for this ministry with clergy in North Carolina. If the model is effective, then plans will be made to expand it.

"Dr. Causey has provided guidance and support for many ministers through the past 20 years. He brings the perfect blend of expertise and concern to this ministry. I am looking forward to what we can offer ministers through this service," said David Odom, president of the Center.

This ministry will begin in July 2000. Dr. Causey can be contacted through the Center's offices in Winston-Salem. The Center for Congregational Health® is a ministry of the School of Pastoral Care. The Center's mission is to assist congregations in becoming healthier communities of faith. The Center's telephone number is 336-716-9722 or reach us through our website, www.healthychurch.org.

Christian higher education represents one of our enduring values as North Carolina Baptists. From the founding of our Convention in 1830, we have supported Christian higher education. Our churches, associations, and state have benefited as a result.

Last year North Carolina Baptists provided special scholarship assistance to members from our churches who chose to attend one of our affiliated colleges or universities. Sixty-eight out of eighty associations were represented among the hundreds of students who received this special Convention sponsored scholarship assistance.

The institutions matched the Convention's support of these Baptists students through institutional support. For every dollar provided to students through the Cooperative Program, the institutions matched it with $2.50 of additional financial assistance. Forty-five percent (45%) of the on-campus student populations are Baptists.

In addition to support of undergraduates, North Carolina Baptists assisted 297 divinity school students last year. This financial assistance was made possible through churches giving through optional giving Plans B and C. Members from our churches who have sensed God's call upon their lives to serve as ministers or missionaries are eligible to receive a theological educational grant from the Convention.

If a student pursues their degree from the divinity schools at Gardner-Webb or Campbell, the student is eligible to receive a grant of $8,100. If a student pursues his or her theological education from other institutions, the student is eligible to receive a grant of $3,000 for their studies.

Reverend Shane Kirby recently graduated from the M. Christopher White School of Divinity at Gardner-Webb University. Upon graduation, Mr. Kirby said, *"I couldn't be more happy that I was able to obtain my master's at a North Carolina Baptist institution. I look at it like the Baptists of this state invested in me. Now, I feel a sense of responsibility to the good people of my denomination to serve them"*

North Carolina Baptists can take pride in graduates, like Mr. Kirby, who want to serve our Lord and his churches in North Carolina.

Without the faithful support of the Cooperative Mission Budget of the Baptist State Convention, opportunities for our members to attend Campbell, Chowan, Gardner-Webb, Mars Hill or Wingate would not be possible.

Thank you North Carolina Baptists for your continued support of Christian higher education in our state.

American Belarussian Relief Organization

Belarussian Children's Program

Goal-Help the children of Belarus

Belarus is a small country about the size of North Carolina that is bordered by the Ukraine, Lithuania, Poland and Russia. Her southern border is just 12 kilometers north of the Chernobyl Reactor #4, site of the terrible nuclear accident of April 26, 1986. Seventy percent of this radiation fell on the country of Belarus. The American Belarussian Relief Organization (ABRO) focus is on the children. All the children are affected in some way by the radiation.

ABRO brings children ages 8-16 from Belarus to the United States for six weeks in the summer through local groups to give their bodies a rest from the contamination. While in America the children receive medical, dental and eye care. It is believed that with this rest, health care and good nutrition for six weeks that their life expectancy will be enhanced by 20%. The health care providers have been wonderful in providing the medical attention without cost.

While in the United States, the children stay with host families. The host family provides a loving and caring home environment. The host family must be Christians, active church members and recommended by the pastor. The children cannot be left in a day care or left alone. The children are not permitted to work but helping with household chores is OK.

ABRO began in 1991 when members of a Baptist church in Connecticut welcomed 13 children and two adults from the Mogilev region of Belarus. Since 1991 well over 2000 children have made the trip to the United States for rest and medical evaluation through the efforts of ABRO. In 2000, over 500 children and chaperones came to the US. ABRO works in orphanages, the Mogilev children's hospital, the Society for the Blind and a relief center in Mogilev.

The Flat River Baptist Association (FRBA) began participating in the ABRO program in 1998 and has sponsored children each year since. The cost is about $850 per person with arrival and departure in Washington , DC In 2001, we plan to have them come to Raleigh-Durham Airport which will increase the cost to approxiamtely $1000 per person This cost is borne through FRBA churches and individual contributions. Church and Community Missions (CCM) has a "clothes closet" for the children. Most of the children come with very little clothing but will usually have a gift for the host family. Some group activities are planned for the children. Most of them enjoy swimming, amusement parks, TV, roller skating, shopping, fast food stores etc.

If you want to bless the life of a child and be blessed at the same time, be a host parent. My wife and I have hosted a child for three years who is from a highly contaminated area. We are her Papa and Mama America. The Belarussian people that I have met are kind and sharing. I visited in Belarus in December 1999 and stayed in private homes. I was treated like royalty. Marie and I plan to go to Belarus in early January 2001. If you think that you would like to be a host parent, please contact Rev Childers. If there are questions that I can answer for you, please call me at 919-693-8758 or e-mail me at pmduncan@gloryroad.net. Thank you

We want to share Jesus and let people know that we care, that we love them and we want them to know Jesus as Savior. A meeting will be held at Westwood Church on Thursday, August 24 at 7:00 p.m. led by Rev. Bill Wallace. He will be giving us ways to help equip us to reach out to the people around us. We were told of how our Spanish ministry here was helping people come to know the Lord in Mexico. Many people have contacted the office and are interested in a mission trip to Costa Rica. A trip is planned for February, 2001. A motion was made, seconded and approved to go to Costa Rica in February, 2001.
10. Rev. Buddy Hall presented the proposed budget for 2000-2001. Rev. Scott Eaton questioned why there wasn't more money in the Evangelism. The motion was made and passed for the proposed budget to be taken to the annual meeting.
11. The Treasurer's Report was presented by Mr. Alvin Dickerson. There were no questions. A motion was made seconded and carried to approve this report.

12. In the absence of Mrs. Tammy Moore, chairperson of the Nominating Committee, the Nominating Committee Report was given by Mr. Alvin Dickerson. Rev. J. D. Moore, Rev. Scott Eaton, Dr. Victor Blackwell, and Rev. Doug Jones questioned the service of Rev. DuPre Sanders on the Nominating Report, Program Committee because of his and his church's commitment to the Cooperative Baptist Fellowship. Discussion followed.

13. Rev. Ken Childers gave the Associational Missionary Report. Rev. Childers mentioned the dates and time for Annual Meetings. Monday, October 16, 2000 at Providence Church, Person and Tuesday, October 17, 2000 at Beulah Church. Registration will be at 3:45 p.m. Rev. Childers also made mention of the fact that since the association is incorporated, the Constitution Committee need to meet and reword the constitution.

14. Dr. Blackwell gave information on an info-commercial put out by the Southern Baptist. The owner of the Cable channel said he would print at the end of the commercial, "presented by the Southern Baptist Churches of the Beulah Baptist Association." He gave the cost of the commercials, $225. Rev. Childers questioned which fund we would take the money from to pay for these commercials. Olive Branch, High View, and Mill Creek churches volunteered to pay for the airing of the info-commercials. They would air twelve times a day for 30 days on cable channel nine. This was presented as a motion by Dr. Blackwell, was seconded and unanimously approved.

15. Motion was made, seconded, and unanimously approved to adjourn. Rev. Clyde Everett closed the meeting with prayer.

Respectfully Submitted,
Lona Lockhart, Adm. Asst/Clerk

YOU ARE UNIQUE

Think what a remarkable, unduplicatable, and miraculous thing it is to be you! Of all the people who have come and gone on the earth, since the beginning of time, not ONE of them is like YOU! No one who has ever lived or is to come has had your combination of abilities, talents, appearance, friends, acquaintances, burdens, sorrows and opportunities. No one's hair grows exactly the way yours does. No one's finger prints are like yours. No one has the same combination of secret inside jokes and family expressions that you know. The few people who laugh at all the same things you do, don't sneeze the way you do. No one prays about exactly the same concerns as you do. No one is loved by the same combination of people that love you - NO ONE! No one before, no one to come.

YOU ARE ABSOLUTELY UNIQUE!

Enjoy that uniqueness. You do not have to pretend in order to seem more like someone else. You were not meant to be like someone else. You do not have to lie to conceal the parts of you that are not like what you see in anyone else. You were meant to be different. Nowhere ever in all of history will the same things be going on in anyone's mind, soul and spirit as are going on in yours right now. If you did not exist, there would be a hole in creation, a gap in history, something missing from the plan for humankind. Treasure your uniqueness. It is a gift given only to you. Enjoy it and share it! No one can reach out to others in the same way that you can. No one can speak your words. No one can convey your meanings. No one can comfort with your kind of comfort. No one can bring your kind of understanding to another person. No one can be cheerful and lighthearted and joyous in your way. No one can smile your smile. No one else can bring the whole unique impact of you to another human being. Share your uniqueness. Let it be free to flow out among your family and friends and people you meet in the rush and clutter of living wherever you are. That gift of yourself was given you to enjoy and share. Give yourself away! See it! Receive it! Let it tickle you! Let it inform you and nudge you and inspire you!

YOU ARE UNIQUE!

DIRECTOR OF MISSIONS REPORT
2001

I want to thank everyone for the good reports we have heard during these annual sessions of the Beulah Baptist Association. Just as Mrs. Ashley sang, "People, We, Need the Lord." We have had some challenges and opportunities for service presented to us. Scripture of I Corinthians 3:6-9 tells us that we can all be involved in bringing a harvest for the Lord. Some plant, another waters, but all is in vain unless "God gives the increase." We labor in vain unless God leads us and blesses our efforts. God is going to bless and use us in the days to come if we will be obedient to Him. There are many seeds to be sown and a harvest to be gathered by those of us in the churches of the Beulah Baptist Association. Some here and some in other places around the world. My goal is to seek God's guidance in leading this association to a bountiful harvest.

I was blessed when our Spanish pastor came and told me of the man who had left our Spanish mission and returned to Mexico. He started a Bible study in his home that grew into a congregation of over fifty people. We sent two groups down for two weeks last summer and plan to send two groups for two weeks this summer.

There are some challenges and opportunities before us. You have heard this in the reports and from our speakers. With God as our helper, let us move to the challenge to plant in order to reap a good harvest to His honor and glory.

In closing I want to especially thank my wife, Sarah, my wife and companion for her years of faithful service with me. Let me thank Lona for the great job and many hours of labor of love she does as our administrative assistant/clerk to help bring all of this together. I want to thank Tommy Robertson for his service as moderator. It has been a pleasure to work with him.

Thank you all for your faithful support and may God bless and use all of us in the work of Beulah Baptist Association.

Your Director of Missions,
Rev. Ken Childers

EVANGELISM

I am concerned about the priority that evangelism has in our churches. When we look at the churches with no baptisms, and those with less than ten, we must all conclude that we need to do a better job. Evangelism should be at the forefront of all that we do, for isn't that one of the main reasons for our existence?

Jesus took his disciples through Galilee on a tour of evangelism, that they might learn by observing him at work. Then having let them see by His example, he definitely organized them and sent those out two by two in all parts of the country. When Jesus called his disciples, He said, "Follow me and I will make you fishers of Men," Mark 1:17. That is still the call of discipleship today. My prayer is that it will become the passion of our life.

We had a Senior Adult Revival on June 25-27 at Westwood Baptist Church and held an Evangelism Banquet on August 17 at Theresa Church. Both of these events were super. Could they have been better? Sure they could have. My prayer is that God will give us as individuals, churches and an association a vision of lost souls dying and going into eternity without a saviour. Then evangelism will have the place of priority that it should have.

REPORT FROM ASSOCIATIONAL YOUTH MINISTRY

I'm happy to report that this past September 19, 2001 approximately 120 youth, youth leader's and other concerned adults rallied at the Person High flag pole at 7:15 in the morning to pray together. The youth led in prayer as a large group and then in smaller groups. They prayed for renewed vision to reach their school for Christ, for racial unity and reconciliation, for our country, that we would turn to God as our only Protector and Provider, and for their lost friends. The youth and adults were mutually encouraged by this time of prayer. After the time of prayer, the entire group held hands and sang praise choruses around the flag pole. One song, "Lord I Lift Your Name On High," was particularly moving as our voices rang out praises on a school campus in front of spectators, youth and adult alike. We look forward to next years See-You-At-The-Pole and all that God has in store for us.

Please be in prayer for an upcoming youth event called: OVERTIME: A Youth Event. After the last home football game on November 9, former NFL quarterback Frank Reich will speak to a number of youth and adults about: How to win at the game of Life. Youth will come to the high school gym immediately following the game for a time of activities, games, prizes, and a talk from Frank Reich. We are planning to share the Gospel of Christ with 500+ youth and adults. Youth leaders and other adults will stand ready to share the Gospel with all those who respond at the invitation. Pray that God would 1) Get those youth there! That they would desire to come to the event, 2) That our youth and adult would bring youth to the game and then to the event, 3) For our speaker, that he would be filled with the Holy Spirit, speak the words of life, and give the glory to God, and finally 4) That God would draw many to His Son, Jesus the Christ. We thank you, in advance, for the support, both spiritually and physically that you will give. Phil. 4:15-17.

VACATION BIBLE SCHOOL -2001

The Vacation Bible School Clinic for Beulah Baptist Association was conducted March 13, 2001 at the Theresa Baptist Church. The theme for Bible School was "Truth Trackers, and the Secret of the Stone Tablets." The theme and the materials were some of the best by LifeWay in recent years. It was built around the 10 Commandments and an archeological dig for the truth of the stone tablets, which was Jesus. There were classes for directors and workers with pastors/adults, youth, children, grades 4-6 and grades 1-3, kinder, and pre-school. About one third of the churches in the association participated in the clinic.

REPORT for 2001 BOOK of REPORTS

OFFICE of ANNUITY

The Annuity Office of the Baptist State Convention of North Carolina in partnership with the Annuity Board of the Southern Baptist Convention provides services related to retirement planning, financial support of ministers and other church employees, life and health insurance, ministry to seminary/divinity students, and church/clergy tax issues. These services are provided in a variety of ways to churches and church employees.

As a result of an expanded mission statement and two new ministry assignments given to the Annuity Board in 2000, the year 2001 is proving to be one of transition. Specifically, much of the Board's work during 2001 has focused on preparing to offer personal investing and institutional investments with the accompanying need for all the investment funds to be registered during this year. Despite a disappointing year in the financial markets, ten of the fourteen Annuity Board investment funds out-performed their benchmark for the year. More specifically, all six equity funds and all four blended funds exceeded benchmark returns while all four fixed income select funds under-performed.

Insurance continues to be one of the greatest challenges as the Annuity Board continually seeks to maintain viable products for participants. New insurance products and services have been developed and plans outlined for implementation. Two new Medicare supplement plans were designed and implemented. The Annuity Board paid more than $139 million in insurance benefits last year.

The Endowment Ministry, designed to give support to retired ministers, denominational employees and their widows with special needs, enjoyed a banner year. The relief ministry reached a record monetary level as $5.3 million was distributed to needy retired ministers and widows. Guidelines for the Adopt An Annuitant ministry were revised to allow more applicants to qualify for the gift.

As of May 31, 2001, there were 4,842 active participants in the retirement plan with 62% of our North Carolina churches participating. The number of persons receiving retirement benefits has increased to 2,815 with another 361 being assisted through the Adopt An Annuitant ministry plan.

It is our strong desire to serve all of our churches, ministers, and church employees. For more information related to products or services, call the Baptist State Convention of NC at 1.800.395.5102 extension 174, visit our Web site at www.bscnc.org, or call the Annuity Board at 1.800.262.0511 or visit the Annuity Board Web site at www.absbc.org.

Baptist Children's Homes of North Carolina

Baptist Children's Homes serves record number of children. In 2000, Baptist Children's Homes of North Carolina served a record 2,000 children and more than 1,600 families statewide. BCH operates residential campuses in Thomasville, Pembroke, Kinston and Clyde, a maternity home in Asheville, a teen mother/baby home in Lenoir, value change homes for boys and girls in Franklin and Asheville and for girls in Lenoir, a wilderness camp for boys in Cameron, emergency care cottages at each of the residential campuses and in Waynesville, and a model day care in Thomasville.

Children tell their stories during Baptist State Convention report. Standing ovations, applause and heartfelt hugs greeted the children and staff at their 30-minute presentation during the 2000 Baptist State Convention in Winston-Salem. More than 130 BCH children, child care workers and staff sang, shared their stories and said "thank you" to the approximately 4,500 messengers attending the Tuesday afternoon session. Messengers heard the special testimonies from Citadel graduating senior and former Broyhill Home resident Jason Davis and Hannah Adams' mother Donna. Hannah has participated in both the 2000 and 2001 BCH Respite Camp for Developmentally Disabled Adults.

Jason Davis thanks messengers. Jason was featured in the 1995 Baptist Children's Homes report to the convention. At that time he was 17 and dreamed of a career in the Air Force. During his testimony at the 2000 convention, Jason appeared in the full dress uniform of The Citadel. He reminded messengers that if it had not been for their care and support he could have never realized his dream. He told messengers that he credited them for the opportunities he has known. Jason said he plans to always come back to visit the children and just as others gave to help him, he would give to help the other children who would come to BCH after him. Upon his graduation from The Citadel in May 2001, Jason Davis was commissioned as a Lieutenant in the United States Air Force.

Donna Adams claims Developmental Disabilities Ministry an answer to prayer. The final testimony of the BCH presentation was not given by a child, but by a mother. Donna Adams of Laurinburg strained to maintain her composure as she shared how BCH's new ministry for developmentally disabled adults was the answer to her prayers. Adam's daughter Hannah suffered brain damage as an infant. Today, Hannah is a beautiful young woman. Donna said she is comforted in knowing North Carolina Baptists and the Baptist Children's Homes would be there as her family plan for Hannah's future. She thanked messengers on behalf of other parents and families of developmentally disabled children for their support and commitment to this ministry.

North Carolina Baptists reach $1,000,000 Thanksgiving Offering goal. Because of the support of Baptist churches all across North Carolina, Baptist Children's Homes met the 2000 Thanksgiving Offering goal of $1,000,000! The goal was record for the agency. BCH president Michael C. Blackwell said he was "enormously gratified at this outpouring response." Baptist Children's Homes is grateful to all North Carolina Baptists who committed themselves to help meet this challenging goal.

First Baptist Church of Salisbury sets goal they couldn't reach. Interim pastor Dr. Dale Steel said collecting a church record of $18,300 for the 2000 Thanksgiving Offering was fun.

Dr. Steel recounted the meetings that led to setting the church's goal at 1% of the total BCH goal of $1 million or $10,000. In 1999, the church gave approximately $3,500. The church's leadership decided to set a goal they could not reach on their own. Leading with prayer and a commitment to meet their goal, the church watched as they passed their goal and reached their record amount. One month after receiving the record Thanksgiving Offering, the First Baptist Church of Salisbury collected the third-largest Lottie Moon ingathering in 11 years. Dr. Steel credits the church's vision, enthusiasm and determination to do their part for missions as being the key to their success.

BCH breaks ground on two new DDM homes, and dedicates new children's cottage in Marshville. In June, Baptist Children's Homes broke ground for two new group homes for developmentally disabled adults in Winston-Salem. The homes – Davis House and Hinkle House – are being built adjacent to BCH's Baptist House at Bethabara and will open in early 2002. The R.P and Ella Mae Stegall Home was dedicated August 19, 2001. The new group home is located in Marshville and provides residential care for nine boys.

***New Millennium Families* study guide offered to churches.** The study guide to accompany Dr. Michael C. Blackwell's book *New Millennium Families* is being made available to churches for group Bible studies this fall. Dr. Blackwell believes BCH can help strengthen families in North Carolina Baptist churches and is committed to providing the necessary resources. Dr. Blackwell's new book, *A Place for Miracles*, is a history of Baptist Children's Homes, and will be available in late 2001.

BCH anticipates another record Thanksgiving Offering. The 2001 Thanksgiving Offering goal is $1,100,000. This represents a $100,000 increase over last year's record-setting amount. The number may seem enormous, but there is an enormous need. Children and families turn to BCH broken, battered and burdened. But with the help of North Carolina Baptists, BCH shows them God's love. BCH is counting on North Carolina Baptist churches to help meet this important goal during this time of economic uncertainty. Call 1-800-476-3669, ext. 1209 to order promotional material, the new Thanksgiving Offering video, last year's BCH Convention Presentation video or to request a speaker to tell the BCH story in person.

The support of North Carolina Baptists through the Thanksgiving Offering, Cooperative Program, church-designated and individual gifts, memorials, honors, and estate gifts enables us to fulfill our mission statement: "helping hurting children...healing broken families.

BCH is grateful for North Carolina Baptists' prayers and support.

THE NORTH CAROLINA BAPTIST FOUNDATION, INC.
2000 ANNUAL REPORT

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

During 2000, the Foundation provided assistance to individuals in establishing 30 endowment funds and 18 charitable remainder trusts totaling $1.9 million and received $3.6 million in contributions to existing endowments all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for 164 churches and associations during the year to promote Make Your Will Month, Christian estate stewardship, and church fund management. Over $4.6 million from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes. With a total of $10.1 million in contributions, it was the best year ever eclipsing the previous high of $9.3 million recorded in 1999.

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund and a fixed income fund. The Foundation uses the services of Salomon Smith Barney to help select top money managers and evaluate performance. As of December 31, 2000, the Foundation held $97.4 million under management. This is an increase of more than $4.1 million over 1999.

The Foundation also experienced a record year in distributions in 2000. The previous high in distributions was 1999, with $5.3 million distributed to charity and individuals. In the year 2000, our distribution totaled 9.1 million dollars, with charity receiving $6.7 million and individuals, through trusts, receiving $2.4 million. During the 81-year history of The North Carolina Baptist Foundation, Inc., $18.5 million has been distributed to individuals and $32.4 million to Baptist churches, institutions and mission causes for a grand historical total of $47.1 million.

Biblical Recorder
2001 Associational Report

Baptists cling stubbornly to the idea that people should think for themselves and make up their own minds about issues of importance. For this reason, Baptists affiliated with the Baptist State Convention of North Carolina (BSCNC) are fortunate to have a resource that provides regular, dependable and balanced news coverage of wide-ranging matters relating to Baptist life.

The *Biblical Recorder*, the official news journal of the BSCNC, has served this purpose since its establishment in 1833 by Thomas Meredith, a prime mover in founding the Baptist State Convention in 1830. The *Biblical Recorder* was privately owned and operated in support of Baptist work in North Carolina until 1938, when the paper was purchased by the Baptist State Convention and incorporated as an agency of the convention.

The *Biblical Recorder* is widely acknowledged to be in the top echelon of state Baptist papers, winning national honors for news and editorial writing in 2000.

The *Biblical Recorder's* strategic role in promoting God's kingdom work through North Carolina Baptists grows from its mission statement: ***"to further Christ's kingdom by providing relevant news, insightful opinions and supportive resources to North Carolina Baptists in a timely and accessible fashion."***

As a BSC agency, the *Biblical Recorder* belongs to all North Carolina Baptists, and appropriately reflects the geographical, ecclesiological, and theological diversity that is typical of the churches making up the Baptist State Convention. The editors and staff of the *Recorder* work diligently to offer a fair and balanced presentation of the news that most affects the life and ministry of North Carolina Baptists. Opinions advanced through editorials, letters, and analytical essays help to spark informed thinking on important issues. Feature stories about notable or innovative activities of churches and associations, regular reports on partnership missions efforts, and weekly commentaries on the most popular Sunday School lessons offer ideas, encouragement, and inspiration to readers of the *Recorder*.

In addition to its printed form, the *Biblical Recorder* maintains a popular presence on the World Wide Web, significantly enhanced through major upgrades in early 2001. The *Recorder*'s website at www.biblicalrecorder.org offers Internet users an opportunity to read much of each paper's content online, and allows for the posting of breaking news prior to the printing of the next issue. New features include an internal search engine, a church locator service, classified ads, Bible study resources and a news/weather portal. Thousands of interested readers around the world consult the online version regularly.

As a BSCNC agency, the *Biblical Recorder* receives annual support from Cooperative Program gifts, making it possible to offer the *Recorder* at very affordable subscription rates. Currently, the annual rates are:

- Church News Service (incorporates church newsletter into the *Recorder*) - $7.50
- Every Home Plan (20%+ of church families, paid through the church budget) - $8.50
- Club Plan (4 or more persons in a church subscribe together) - $9.75
- Individual Subscription - $11.90

ANNUAL REPORT TO THE ASSOCIATIONS
2001

It is with humble gratitude that the Christian Action League of North Carolina serves the Lord Jesus Christ and the churches of this great state as a Beacon of light, guiding referendums and legislation through the murky waters of special-interest groups and educating God's people about the moral problems in our state and nation. Our goal is to encourage and organize the people of God so that our light will be seen brightly throughout our state; and when we speak, it will be in one accord and will resound loudly.

A. Christian Values

a. The Christian Action League again co-sponsored the Sixth Annual Christian Heritage Week of North Carolina held in March. It was our pleasure to provide awards for excellence to those high school students who won the essay contest on America's Christian background.

b. CAL has continued to promote and distribute copies of the Ten Commandments throughout North Carolina. To date, over 17,000 copies have been mailed. CAL was instrumental in getting HB 195 passed that would allow public schools to post the Ten Commandments. This bill passed 94-18 on 7/26/2001.

c. Promoted awareness of worldwide persecution of Christians through email alerts and radio.

d. Participated with the American Family Association in distributing copies of our national motto posters "In God We Trust" through our newsletter and providing a link from our website for the purchase of these posters.

e. Joined with Family Life Ministries in promoting and distributing copies of the Marriage Covenant Certificates.

f. Set up CAL exhibit at Baptist State Convention

B. Radio

"Christians In Action", Station WAGO (88.7 FM) Snow Hill, has expanded to WAAE, 91.9 FM in New Bern and WRNA (1140 AM) and WRKB (AM 1460) in Kannapolis. This broadcast consists of a five-minute commentary on issues that affect our lives today. Our projection is to ultimately reach the whole state.

C. Gambling

a. The Christian Action League has been instrumental in keeping a lottery referendum bill in Committee. Through our newsletter, emails, radio and postal service, we have encouraged the Christian Citizens of North Carolina to keep letters and calls constantly coming in to the N. C. General Assembly telling their legislators they do not want a lottery in North Carolina.

b. The Executive Director and President of CAL joined Citizens United Against the Lottery in a grassrotts effort to fight the lottery. The Executive Director spoke at a news conference held at the Press Room of the Legislative Building by this group. Members of CUAL are Chuck Neeley, former gubernatorial candieate, Frank Daniels, Jr., former publisher of the News and Oberserver, Dr. William Friday, former President of the UNC System; Dr. Billy Graham, U. S. Senator Lauch Faircloth, former State Treasurer Harlan Boyles and former Governor Robert Scott.

c. CAL has held "A Christian Looks at Gambling" workshops in Statesville, Burlington, Morehead City, New Bern, Laurinburg, Asheville, Charlotte, Beulaville and Salisbury, areas whose legislators were targeted as "on the fence" on the lottery issue.

d. The League has provided a packet of gambling materials for preachers across the state to use in educating their people about the dangers of a lottery.

D. Abortion

a. The Executive Director of CAL spoke before a Senate Committee to promote HB 275 – Infant Homicide Prevention Act. The bill, which nearly failed to get out of the House in the spring, gained near unanimous support after the Christian Action League got behind the legislation. The bill allows mothers under certain circumstances to avoid abandonment charges if they leave their newborn with a responsible adult or health care provider. The League believes that this is an alternative to abortion and infant homicide after birth.

b. CAL has encouraged its members to call President Bush to encourage him to stand firm for the sanctity of human life on the issue of stem cell research through emails.

E. Alcohol

c. Participated in four LBD campaigns since January, 2001. We help with their organizational meetings, rallies and providing educational materials. Wilson Mills was successful in defeating off-premise beer and wine sales.

d. Worked in the General Assembly for defeat of HB 1143 – Sports Club ABC Permits which would allow liquor-by-the-drink without a vote of the people. Rev. Mark H. Creech, Executive Director of CAL, spoke before the Senate Committee against this bill. Unfortunately, the Governor signed this bill into law on 5/30/2001.

E. Pornography

Have produced and aired several radio programs to inform the public of the internet pornography crisis. Educate communities on how they can rid their neighborhoods of adult establishments.

G. Homosexuality

CAL monitors and informs the Christian community of the current homosexual agenda through our email alert and news letter. We tract bills that would give protected status for homosexuals. Several bills this session are HB 941, HB 871 and SB 547; all remain in committee.

The Christian Action League of North Carolina produces a quarterly newsletter *The Beacon* that has a distribution of over 21,000. We also send out an email alert every Friday to over 600 members to keep them abreast of current moral. ethical and political issues that affect our state and nation. All services of the Christian Action League are provided at no charge. We depend on God's people to provide for His work.

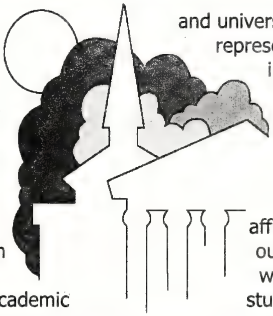
When it comes to colleges, "*one size does not fit all.*" There is a difference.

North Carolina has 117 post-secondary institutions. Some are classified as community or technical colleges. Others are public, while some are private. Some are Bible colleges. One is a seminary and one is a junior college.

Some have large campuses, while others have modest facilities. Some have major sports teams, while others offer intramural events. Some have significant endowments, while others struggle to stay open. Some have government support, while others depend upon private support.



North Carolina Baptist colleges and universities are unique. They are institutions we trust and support. They represent places that share our core belief that one's education should involve the heart, soul and mind. This belief is not shared by every institution in our state. Some are not allowed to invoke the name of God, neither are they allowed to worship God. North Carolina Baptist colleges, however, are different.

The colleges and universities associated with the Baptist State Convention of North Carolina affirm their faith in God and acknowledge their Baptist heritage. Students on our campuses are challenged to develop their faith through Bible study, worship, ministry and mission opportunities in addition to their academic studies.

When a professor on one of our campuses was asked, "*Why have you chosen to be a part of this facility?*" He responded, *"Because I am free to mention the name of Jesus on this campus."*

When it comes to colleges, *"one size does not fit all."*

Students in our churches struggle when they are deciding which college or university to attend. It is a decision that will follow them the rest of their lives. If they choose a school where faith is left out of their educational experience, they will graduate with degrees without the benefit of their faith being challenged.

Thank you North Carolina Baptists for your continued support of Christian higher education at Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate.

NORTH AMERICAN MISSION BOARD, SBC
NAMB

-- 2001 ANNUAL REPORT --

God is moving mightily through your North American Mission Board team. It's been four years since the ministries of three former SBC agencies were combined to form this new agency. In partnership with state conventions, associations and local churches, we are commissioning more missionaries, putting more money on the mission field, and starting challenging, new ministries to reach North America for Christ. In 2000, the Annie Armstrong Easter Offering and the Cooperative Program were the largest in history. Following are a few highlights of what those offerings, 5,081 missionaries, 3,000 chaplains and 150,000 mission volunteers accomplished.

Reaching People for Christ

- More than 2000 schools are using the FiSH Bible study strategy on high school campuses, each averaging more than four students per month making a profession of faith.
- More than 100,000 people per month are averaging ten minutes each with a gospel presentation on one of NAMB's Internet Web sites. Last year, hundreds accepted Christ through the sites and were referred to local Southern Baptist churches for follow-up and discipleship.
- 2,614 SBC-endorsed chaplains led 21,000 people to faith in Christ.
- NAMB-related pregnancy care centers ministered to 28,382 clients, resulting in 2,186 babies born, 29 adoptions, and 673 professions of faith.

Starting New Churches

- SBC church starts and new affiliates were the second highest in history last year. Southern Baptists established 1,681 new congregations, added to 144 new SBC affiliated churches for a total of 1825 new SBC churches.
- The Nehemiah Project, which placed a NAMB missionary at every SBC seminaries to serve as church planting professors, deployed 221 students a church planter interns.
- Canada leadership set a prayer goal of establishing 1,000 healthy, reproducing churches by 2020.

Mobilizing Christians

- By the end of the year, NAMB and its mission partners supported 5,081 missionaries.
- 65,000 adults participated in construction and ministry projects at more than 500 sites.
- 16,500 World Changers led 1,544 people to professions of faith through a renewed emphasis on intentional evangelism.
- Southern Baptists have the second largest disaster relief force in North America, second only to the American Red Cross. Last year, 24,546 disaster relief volunteers from 23 state conventions responded to 75 disasters and repaired 1,845 homes.

Reaching the Cities

- Strategic Focus Cities mobilizes Southern Baptists to reach two major cities per year. Hundreds of churches are being started, and thousands are coming to Christ through SFC efforts in Chicago, Phoenix, Boston, Las Vegas, Philadelphia and Seattle.

JANUARY 15, 2001

The Executive Committee of the Beulah Baptist Association met at 7:00 p.m. on Monday, January 15, 2001, at North Roxboro Baptist Church. Rev. Tommy Robertson, Moderator, presided over the meeting.

1. In the absence of Rev. Danny Moosbrugger, Music Director, Mr. Alvin Dickerson led the singing of "Amazing Grace" accompanied on the piano by Rev. Buddy Hall. Rev. DuPre Sanders gave a devotion using Scripture from Matthew 6:31-33 and led in opening prayer. Rev. Tommy Robertson, moderator, called the meeting to order. He thanked North Roxboro for hosting the meeting.
2. Minutes of the August 21, 2000 meeting were approved with changes to Number 12, the Nominating Committee Report. Rev. Victor Blackwell asked that "because of his and his church's commitment to the Cooperative Baptist Fellowship" be added to the end of the second sentence. Roll call was taken with 64, (sixty-four), messengers present and with 22, (twenty-two), churches represented.
3. Under old business, Rev. Joe Grubbs, Property Committee, recommended that in regards to the question of the association selling the parsonage, motion was made that a letter of intent be solicited from each church stating the entire church's position on this matter. It was recommend that each church respond in one of the following options. 1) Our desire is that the parsonage be sold with funds received being used for the new associational building. 2) Our desire is that the parsonage not be sold. 3) Our desire is that the parsonage not be sold at this time. The Property Committee will work with the associational office to facilitate obtaining a response from each church. The responses will be given to the Executive Committee members present at the May meeting and at that time, if necessary, a decision will be made. Respectfully submitted, The Property Committee, Joe Grubbs Hassell Oakley, Larry King. Rev. Scott Eaton made the statement that this opportunity be taken seriously and not delay. Rev. Blackwell questioned if this could be ready for the May meeting. The general feeling was that it could be ready. The motion was seconded and approved.
4. The Treasurer's Report was presented by Rev. Tommy Robertson. Rev. Joe Grubbs questioned if the parsonage was counted in the assets. It was not. Only the new property purchased for the associational office center was accounted for. A motion was made, seconded, and carried to adopt the report.
5. There was no Sunday School Report.
6. The Discipleship Training Report was printed on the back of the agenda. Rev. Wendell Stokes submitted the report which stated that "the ministry of the pastor can probably be summed up this way: "We are to teach our people the Bible so that they can become reproducing mature members of the church." We do a pretty good job of teaching the Bible through sermons and Sunday School. But we do a pretty poor job of discipling them to mature in the faith to the point that they become servants and witnesses. I feel that my main role as Associational Discipleship Training Director will be to help you see what's available in our churches and our association and in our state convention that you can use to help your church members grow in the faith. In the next few weeks, a new list of available materials will be compiled and this information will be shared with you. Than you, God bless you, and keep on ploddin'."
7. There was no Evangelism report.

8. Mrs. Nell Sparrow gave the WMU Report. She gave a 2001 upcoming dates to remember report. Church WMU Training for the year 2000-2001 was held at Cavel Baptist Church on August 17 with approximately fifty in attendance. Mrs. Lorene Heskett led in the "Beyond Belief" Emphases and Theme. A WMU ministry project was held to benefit Safe Haven. A booth was set up at Craft Flair in conjunction with Operation In As Much. Twelve churches participated and $628.55 was raised. Women's Day of Prayer was observed at Theresa Baptist Church with twenty-six people attending.
9. In the absence of Rev. Angel Cruz, Rev. Ken Childers gave the Spanish Mission Report. He noted that about twenty-five people were present at the mission. He noted that the people had been discipled and trained well. Bible and hymnals had been sent to the mission in Mexico, which started as a result of one of the mission church members returning to his homeland and starting a Bible study. The Bible study has grown to about seventy people and discussion is being held concerning whether a Mission Trip to Mexico will be possible.
10. Rev. Buddy Hall, Triple Springs, gave the Building Committee Report. The plans had been taken to the architect, Mr. John C. Williams of Hillsborough. Marking off of the office plot would be January 18. Rev. Jimmy Pulliam questioned driving over the septic lines. Rev. Hall stated that this would be addressed. He asked that we pray and put God in charge and see what we can do. A gospel sing is planned in March at the Kirby Theater. He challenged that if each church member in the association contributed $8, we would have enough to get started. He challenged us to set a goal of $80,000 for May. That amount is needed to get the project underway. Buddy asked Rev. John Heskett of Cavel Church to share about how "God Can."
11. Mrs. Lorene Heskett, wife of Rev. John Heskett, Cavel Church, gave a report on Prayer Ministry. She stated that she and her husband, and some members of their church had attended the Evangelism Conference. She shared a story of how President Bush witnessed to a young man. She asked that we pray for leaders of our country, president, and governor. She spoke of the need for on going prayer ministry coordinators in the churches and asked that we consider electing them. She had prayer ministry cards and told of how the prayer ministry was set up at Cavel Church.
12. Rev. Ken Childers gave the Director of Missions Report. He thanked those who attended the meeting and thanked everyone for the work that was being done in our association. Rev. Ken Clark, Providence, Caswell, invited the association of churches to attend Providence Caswell Church as part of the Partnership with South Africa services on March 25-28. On Monday, March 26th, and Tuesday the 27th, a covered dish supper will be held at 6:00 p.m. with services following at 7:00 p.m. Rev. Clark also asked that we be in prayer for the possibility of several from his church going to Africa on mission. Rev. Childers gave a report on the needs throughout the state for different ministry projects. He further informed that the Costa Rica Mission Trip is being planned. Rev. Hammand of the Progressive Church, Costa Rica, sends his thanks and appreciation for the work our association is doing in Costa Rica.
13. Rev. Robertson stated that we need to move forward in unity as an association of Baptist Churches. We need to trust God and be led by God. There being no other reports or miscellaneous business, the meeting was closed in prayer by Rev. Robertson.

Respectfully submitted,
Lona Lockhart, Clerk, BBA

A mission trip is being planned for July to travel to the mission to see how we can serve the Lord through working there. Rev. Cruz stressed that he needed workers at the mission church here. Pastors were asked to let him know if they could help. At this time, Rev. Ken Childers gave the cost of the mission trip, $545. He stated that we would need additional money to do mission work when we got to Mexico. Rev. Childers made a motion to take $2,000 from our Designated Funds, money received from our North Carolina Missions Offering to go toward costs of materials. The recommendation was presented, voted on and approved.

10. In the absence of Rev. Buddy Hall, Triple Springs Church, Associational Office Building Committee, Rev. Hassell Oakley, Beulah Church, gave an update on the progress of the committee. We are still waiting for estimates from well drillers.

11. Rev. Ken Childers gave the Director of Missions Report. He stated his appreciation for the reports given. He told of the Nominating Committee search for a Discipleship Training Director and asked that if there were any nominees, to contact Mrs. Tammy Moore, Chairperson. Also, he asked that if anyone wanted to help out with the Medical Dental Bus, sponsored by the NC Baptist Men, which would be visiting the Prospect Hill Clinic on May 19, 2001 from 9:00 a.m. to 5:00 p.m., to please contact Mrs. Moore, who is in charge of this project. The Senior Adult Revival will be held June 25-27 at Westwood Church at 10:30 a.m. each day, with Rev. Donald Cooper guest preacher. Special music will be performed and a special guest will appear. Mrs. Nell Sparrow's daughter and son-in-law who are traveling to Russia to adopt a child and the Aviation Ministry and victims of the plane crash which happened earlier this week. He also mentioned the Christian Study and Fellowship at Mars Hill College and had hand outs for anyone wanting more information. Dr. Greg Frizzell, author of "Returning to Holiness" will be speaking at this conference. At this time, Rev. Childers asked that Mrs. Lorene Heskett, Cavel Church, to share concerning the book, "Returning to Holiness." Doctor and Mrs. Heskett had attended the Evangelism Conference held in Charlotte and taken the study of the book. She shared about various aspects of the book. Ken shared how the book had touch his life.

13. Rev. Robertson asked if there were any other reports. There being none, Rev. Robertson asked if there was any miscellaneous business.

14. Rev. C. B. Scott of Front Street Church asked to present a motion. " In the effort to maintain peace and harmony in Beulah Baptist Association in relation to the building of a new association building, he made a motion to the following: we cease to actively proceed with building of a new building at the present time, we dissolve the present office committee and we elect from the floor, a subcommittee of seven to study the problems of construction of the building and develop ways to resolve such problems that have hindered the process thus far, and that this committee report back to the association at the next Executive Committee Meeting." Rev. Scott asked that this motion receive a second.

15. Rev. Robertson stating his contention that something that had been approved previously would have to go before the Executive Committee with a fifteen-day notice before the meeting.

16. Rev. Victor Blackwell seconded the motion stating that he'd like to hear what Rev. Scott had to say.

17. Rev. Scott stated that he was not opposed to building the Association Office Center, but from the beginning he had heard statements being negative concerning what the costs would be, location of the property and so forth. His goal is that we step back and look at this thing and resolve any problems that we need to resolve at the resolution stage. Then, when we dedicate this building, it will be a good thing. He wants to resolve issues and the most important issue to him is in regards to the building and nothing else.

18. Rev. Robertson stated that in following Roberts Rules of Order he believed that those who were opposed would be asked to speak next.
19. Rev. Dupre Sanders of Roxboro Church spoke that he was against the motion. It would be inappropriate to dissolve anything that had been going on for years with the small group present tonight. This project was started before he came to the association. He didn't think we had the time to pray for what was being proposed and that this small group could not make a decision, and if they did, the situation would be even more devisive. He appreciated Rev. Scotts effort toward peace, but the only one who could bring peace would be the Prince of Peace and it doesn't come from legislation like this. It comes from a season of prayer before any action is taken.
20. Rev. Joe Grubbs of Semora Church spoke in favor of the proposal. Having served on the Property Committee and having gone through recently the surveys regarding the sale of the parsonage, there is already great devisiveness in the association regarding the building of the association office and the sale of the association parsonage. Therefore, we have put a hold on the issue of the sale of the parsonage. We need to look at some hard facts, whether we want to or not, that there is already devisiveness in the association that is hurting our association, hurting us financially and to continue to move forward would be detrimental. We are asking that we step back and look at this situation before we move too far and dig ourselves a hole.
21. Rev. John Heskett of Cavel Church made a motion that we table this matter and send out a letter to all churches and have a called meeting and everyone would be informed. This motion was made in the interest of peace, not speaking for or against the presented motion. There was discussion concerning content and the motion.
22. Rev. Robertson made a point of order to interpret the Bylaws of Beulah Baptist Association, Inc. Article 4 - "Meetings of Members, Section 4. Special Meetings. A special meeting of the voting members of the corporation may be called by action of the Moderator or action of the Board of directors by giving each voting member at least 15 days written notice of said meeting. The notice must state the purpose of the special meeting and the date, time and place of the special meeting. The notice of special meeting must be mailed by first class mail to each voting member at least 15 days prior to said special meeting." His interpretation was that at the discretion of the moderator, a letter be sent 15 days prior to the meeting by first class mail to each Executive Committee Member stating the purpose of the meeting, the date, time and place.
23. Rev. Doug Jones of Beulah Church asked that more information be in the letter. He felt that the main problem all along had been a lack of information. The official position needs to be on the letter. Rev. Robertson felt that adding a short documentary explaining what had taken place thus far would be sufficient.
24. Rev. Victor Blackwell asked if this should go before the Executive Committee or the Messengers of the Association. Discussion followed. It was determined that letters should be sent to the Executive Committee.
25. Discussion followed concerning the motion made by Rev. Heskett. (See 21). There was a question as to dissolving the Associational Building Committee. It was stated that there was no need for the committee. A subcommittee would be developed to study what needs to be done and at this time a building committee does not need to continue to work. The same committee could be appointed after it is decided exactly what steps we should take as an association.

Report from Associational Youth Ministry

This past year the youth of our community have seen times of spiritual highs. Our Disciple Now weekend "Contact," for example, was a powerful time together with Bands, Blind Camper and Noble Pawn, and Speaker, Bruce Ashford. We were led in worship, praising God with uplifted hands. Then Bruce delivered powerful, heart-searching messages that I believe truly challenged the youth and adults. The youth also enjoyed Saturday afternoon at U-Play in Danville. The churches of our Association praise God that we were able to see three confess Jesus as Lord and Savior. Many other youth were also challenged to make Christ the priority of their life. Also, a word of thanks is in order for all those who helped make the event possible.

We have also seen times of emotional lows. Our sister church Westwood lost one of their own at such a tender age. Cassie Cash passed away at only 17. Many mourned her death, and payed their last respects at a moving service. Her life demonstrated faith in Jesus Christ for salvation, even until the very end of her life, when things were going for the worse. And in this time of pain and suffering, we were able, and continue, to see how God demonstrates that He is the God "of all comfort."

In September of 2000 our youth came together for a time of prayer at their respective school for "See-You-At-The-Pole." At Person High School a number of at least 75 joined hands in prayer before school started: praying for their friends, teachers, parents, and our country. That there would be spiritual revival and awakenings was the theme of the prayer time.

How have we done this past year? Are we making steady advances among the youth of our community? That is, are youth being saved, discipled, and demonstrating this newfound faith in a transformed life, or are most youth blinded by the prince of this age, shackled in sin? I for one wonder. Yes, we have seen some lives changed through Christ, and we can never underestimate the value of one soul. We have seen "raindrops of mercy," but it's for the "showers of blessings we plead." All pastors', youth pastor's, lay leaders, Sunday School teachers, and all other Christian workers need to have a renewed fire for the work of evangelism. There are simply so many youth in our community waiting for someone to reach out to them, love them, and share with them the love of Jesus Christ-by sharing the Gospel message.

Let's join together by making: reaching the youth of our community a top priority in the upcoming year. Thank you.

Documentary of the Associational Office Center Plans

On May 17, 1999, at the Executive Committee Meeting, held at Beulah Baptist Church Rev. Buddy Hall spoke about the churches of the Beulah Baptist Association coming together to build an office for the association. "Just as we came together to build the Habitat House several years ago, we could do the same for our associational office." He asked that we go to our churches and ask if they are willing to come together to build this building and donate the necessary funds. Discussion followed. The committee was asked to take this challenge to their church for discussion and to get enthusiasm going for this project.

In the October 18, 1999, 165th Session of the Annual Meeting of BBA, Rev. Buddy Hall gave the Associational Office Committee Report. He asked that a called meeting be held on Tuesday, November 8, 1999, 7:30 p.m. at Westwood Baptist Church to hear proposals for building of an Associational Office Center.

In his DOM report, Rev. Childers noted that on Thursday, November 8, 1999, at 7:30 p.m. at Westwood Church, "we will have a meeting concerning the idea of having an associational office center. There are two options that we may pursue for land for this project. More will be announced at the meeting." He noted that this is a called association meeting by our association office committee, the moderator, and DOM.

In the January, 2000, newsletter, it was reported that members of the BBA met on Monday, November 8, 1999, 7:30 p.m. at Westwood Baptist Church. One hundred-five, (105), people were in attendance representing twenty-six, (26), churches in the association. Rev. Buddy Hall, chairman of the Office Committee, made a motion to build an Associational Office Center. The motion was seconded and unanimously approved. There was no discussion. The office committee met at an earlier date to determine the recommendation to the association concerning construction of the center on a two acre lot which would be donated by Rev. Walter Gentry, or a three and one half acre lot located on 158 West which would be purchased. It was then determined by the committee that the lot located on 158 West would better serve the members of the association. Rev. Buddy Hall brought the recommendation of the Office Committee to build the Association Office Center on a lot located on 158 West to those present at the November 8, 1999 meeting. Ballots were passed out for the vote. Discussion was held. Copies of building plans and a picture of how the building would look were distributed. The vote was taken and there were forty-four, (44), votes for the lot on 158 West and thirty-seven, (37), votes for the lot on 49 North. It was determined that the property on 185 West would be the best location for an associational office center. We extended thanks to Rev. Gentry for his offer to donate the land on 49 North.

In the February, 2000, newsletter, an update was given on the Associational Center. In a written report we were told that in the called meeting of the Association on November 8, 1999, messengers voted to proceed with the office building and voted to buy 3.45 acres of land located on 158 West at $14,000. Since that time, the committee had the land tested for a septic system and the land was approved. Mr. L. Jack Wagstaff, owner of the property wanted to close on the land by Feb. 15, 2000. We had $10,473.71 in the building fund with many churches donating funds.

Documentary - page 2

In the March, 2000, newsletter, it was stated that we had enough money to purchase the land. It was reported that legal work was underway and we hoped to close on the property very soon. We are very grateful to those churches who donated to this worthy cause.

In the May, 2000 newsletter, Ken reported that the response to the new office building fund has been good. We now have over $21,000. The Charter of Incorporation came back from Raleigh, and it was hopeful that we would close on the land in a few days. The proposed plans for the building would be in hand so that you can look them over before they are presented for approval at the May Executive Meeting.

In the June, 2000 newsletter it was reported that at the Executive Committee meeting on May 22, which was held at North Roxboro Baptist Church Rev. Buddy Hall proposed that the plans which were approved by the Associational Office Committee be approved to go to an Architect. Tho motion was seconded and approved. The property for the associational center will close on May 24. 2000. A letter with the floor plan and outside view of the building had been mailed out.

In the July, 2000 newsletter it was noted that Mrs. Margaret Brooks and Ms. Beulah Cates donated a car to the association and the proceeds from the sale of that car would go to the building fund. The amount received for the car was $9,000.

In the August, 2000 newsletter it was announced that a Golf Tournament would be held on August 26, 2000, with all proceeds going to the Building Fund.

In the September, 2000 newsletter, it was reported that a ground breaking Ceremony would be held on September 16, 2000 at 3:30 p.m. Rev. Bill Wallace, retired DOM from Tar River Association brought an inspirational and motivational message. All churches in the association were invited to participate in this dedication service.

In the October, 2000, newsletter, there were pictures and an article about the dedication. On Saturday, September 16, 2000 at 3:30 p.m. a great time of praise, worship and fellowship was observed as we held our ground breaking for our association office center at the property on Hwy 158.

In the January, 2001, issue of the newsletter Ken stated in his article, "One of the big challenges before us is building the associational office center. We have purchased and paid for the land. The land has been cleared and we have had a ground breaking service. The architect is finalizing the plans. Soon we will be ready to start building. We have had many people who have already volunteered to help with construction. Everywhere I go people ask me when we are going to start building. I tell them I want to start as soon as the weather opens up in the Spring. In order to do that we need funds to buy the materials. I hope each church in the association will make a substantial contribution to the building fund as soon as possible so we can get started. We can do it if we will all work together."

In the February, 2001 newsletter, The Gospel Sing at the Kirby Civic Center was announced. It would be help on Saturday March 3, 2001. In Ken's article he stated that we would be hearing from the office building committee soon.

In the May newsletter is an article about the Pastors/Moderators Golf Tournament which would be held on May 12, 2001. All proceeds would go to the Associational Office Center.

The amount donated from churches and from fund raisers is $26,232.45. Mill Creek Church has $20,000. To be given when construction starts. A total of $46,232.45.

***The Office Committee has been meeting on a regular basis. On November 2, 1999, the Associational Office Committee met. Discussion was held concerning the property on 49 North and 158 West.
***In January, 2000, Rev. Buddy Hall sent out a letter apologizing for an over site which was unintentional. He had stated that 100% of the Associational Office Committee was in favor of the location of the Associational Office Center being on 158 W. He should have stated that 100% of those present of the Associational Office Committee was in favor of the location.
***On January 14, 2000 a site evaluation was performed by Mr. Jerry V. Stimpson.
***On February 9, 2000, the Associational Office Committee met. The purpose of the meeting was to up date the committee on the legal proceeding and discuss needs for the building.

That step is not necessary until the actual building process begins. We have the Environmental Health Permit and site plan to obtain the zoning permit.

Information sent out in pastor's packets.

BEULAH BAPTIST ASSOCIATION
CALLED EXECUTIVE COMMITTEE MEETING
WESTWOOD BAPTIST CHURCH

1. The Executive Committee of the Beulah Baptist Association met at 7:00 p.m. on Tuesday, June 19, 2001 at Westwood Baptist Church. Rev. Tommy Robertson, Moderator, and Mr. Louie Oakley, Vice-moderator, notified members by letter on May 31, 2001. Mailed with the letter were the minutes of the May 14, 2001 Executive Committee Meeting and a documentary of events of plans for an Associational Office Center. The purpose of this meeting was to discuss the recommendation made at the May 14, 2001 Executive Committee Meeting concerning the building plans for an Associational Office Center.

2. Mr. Alvin Dickerson, Mill Creek Church, led in singing "Higher Ground." He was accompanied on the piano by Mrs. Donna Grubbs, Semora Church. Rev. Tommy Robertson, Moderator, began the meeting with scripture reading followed by a time of prayer.

3. Rev. Robertson called the meeting to order explaining the voting procedures for the Executive Committee. Each church has a total of three votes, the pastor and two members. Roll call was taken with 70, (seventy) members present, representing 27, (twenty-seven), churches.

4. At the Executive Committee Meeting held on May 14, 2001, Rev. C. B. Scott of Front Street Church presented a motion that stated, "In the effort to maintain peace and harmony in Beulah Baptist Association in relation to the building of a new association building, I make motion to the following: we cease to actively proceed with building of a new building at the present time, we dissolve the present office committee and we elect from the floor a subcommittee of seven to study the problems of construction of the building and develop ways to resolve such problems that have hindered the process thus far, and that this committee report back to the association at the next Executive Committee Meeting." Rev. John Haskett of CaVel Baptist Church made a motion that the matter be tabled and a letter sent to all churches for a called meeting.

5. Rev. Robertson called on Rev. C. B. Scott to restate and clarify the motion. Rev. Scott read the motion as stated above. He clarified that "in ceasing to actively proceed with building of a new building at the present time, we dissolve the present office committee." was not to reflect that the building committee was negligent in its duties. It was intended that the building committee not function until the subcommittee of seven study the problems of construction and develop ways to resolve problems that have hindered the process thus far. He felt that we need to deal with problems that surround the matter and that cost of the project is the problem.

6. Rev. Robertson stated that the motion was still intact. Comments for and against the motion would be heard. Mr. Alvin Dickerson spoke saying that in November of 1999, the Executive Committee met in the old sanctuary of Westwood Church to discuss the location and building of an associational office center and the vote was very close. However, the majority rules and it was decided to proceed. The purpose of the building would be to serve the present and for many years to come. His hope and prayer is that as an association we would move forward in love and unity.

7. Rev. Joe Grubbs of Semora Church stated that in the previous meeting he voted in favor of the motion and wanted to clarify that he was not criticizing the work of the building committee in any way. They had performed a tremendous job. His concern is the unity of the association.

8. Mr. James Davis of Front Street Church stated his concerns about the construction project and the logistical position.

9. Rev. Robertson stated that the issue at hand is, "What is the problem?" We need to get to the bottom of why we are not proceeding. We need to proceed to appoint the "subcommittee of seven to study the problems of construction of the building and develop ways to resolve such problems that have hindered the process thus far." The subcommittee would have until the next Executive Committee meeting, August 20, 2001, to report their findings.

10. Rev. DuPre Sanders of Roxboro Church stated that he was not speaking for or against the motion but he did have a question. He had heard it said that we did not know where we were going as an association, but that we had received funds, purchased and cleared land, and that part of counting the cost would be counting the cost of not going forward. The building committee had been functioning quite well and brought us to this point. He questioned dissolving the committee.

11. Rev. Scott responded that dissolve may not have been the right term to use. Until the work of the subcommittee is complete, the building committee would cease activity. The committee members would stay the same.

12. Mrs. Deb Anderson of Lea Bethel had a two-fold question. The cost of the building and a general sense of disunity She understood concerns about cost, but the concerns regarding disunity are a cloudy issue. The cause of disunity or why there is disunity is a question and no one is stating the cause.

13. Rev. Scott addressed Mrs. Anderson's question saying that problems have been stated. The purpose of the subcommittee would be to gather information concerning what the problems are and bring the results to the Executive Committee. People that are trusted should be elected to the subcommittee ensuring that the issues are brought forward.

13. Rev. Robertson read the motion as stated above. The vote was close, 31 for the motion and 29 against. It was determined to proceed with the election of the subcommittee. The following were nominated: Rev. Victor Blackwell, Olive Branch; Mr. James Davis, Front Street; Mr. Alvin Dickerson, Mill Creek; Mr. Charles Briggs, Beulah; Mr. Howard Whitfield, Clement; Rev. Jimmy Pulliam, Calvary; Mrs. Deb Anderson, Lea Bethel; Rev. DuPre Sanders, Roxboro; Rev. Ken Clark, Providence Caswell; and, Rev. Claude Harrelson, Yanceyville First. Rev. Victor Blackwell asked that his name be removed from the subcommittee nomination. Ballots were prepared.

14. While ballots were prepared, Rev. Robertson passed out a financial worksheet showing the balance of the building fund and expenditures. Rev. Clyde Everett led in singing "Bind Us Together." Announcements concerning upcoming associational activities were made.

15. Ballots were distributed, collected, and counted. Those elected to serve on the subcommittee were: Mr. Alvin Dickerson, Mr. Charles Briggs, Mr. Howard Whitfield, Rev. Jimmy Pulliam, Mrs. Deb Anderson, Rev. Ken Clark, and Rev. Claude Harrelson.

17. After closing comments by Rev. Robertson, Rev. Tobie Stone closed the meeting with prayer.

Respectfully submitted,
Mrs. Lona Lockhart, Clerk

BEULAH BAPTIST ASSOCIATION
EXECUTIVE COMMITTEE MEETING
NORTH ROXBORO BAPTIST CHURCH

1. The Executive Committee of the Beulah Baptist Association met at 7:00 p.m. on Monday, August 20, 2001, at North Roxboro Baptist Church.

2. Rev. Danny Moosbrugger, pastor of Bethany Church and Music Director for the association opened the meeting with the singing of "Victory in Jesus" by those present. He also led in devotion and prayer. Rev. Tommy Robertson, Moderator, called the meeting to order and explained the voting procedure for the committee. Each church is represented by the pastor and two lay members. An alternate member from each church may be elected. Each church is allowed only three votes. Due to the illness of Mrs. Lona Lockhart, clerk, Mrs. Barbara Jones, treasurer, took minutes. Rev. Robertson thanked North Roxboro Church for hosting the meeting.

3. Minutes of the May 14, 2001,meeting were mailed to Executive Committee members. Mrs. Barbara Jones gave the roll call with 112, (one-hundred twelve), present and with 30, (thirty), churches represented.

4. Under old Business, Rev. Robertson called on Mr. Alvin Dickerson to give a report from the Subcommittee, which was appointed at the June 19, 2001 called meeting of the Executive Committee He read the motion made by Rev. C. B. Scott of Front Street Church, "In the effort to maintain peace and harmony in Beulah Baptist Association in relation to the building of a new association building, the following motion was made: We cease to actively proceed with building of a new building at the present time, we dissolve the present office committee and we elect from the floor, a subcommittee of seven to study the problems of construction of the building and develop ways to resolve such problems that have hindered the process thus far, and that this committee report back to the association at the next Executive Committee Meeting." Subcommittee members selected at that time were Mrs. Deb Anderson of Lea Bethel Church, Mr. Charles Briggs of Beulah Church, Rev. Jimmy Pulliam of Calvary Church, Rev. Ken Clark of Providence, Caswell Church, Rev. Claude Harrelson of First Baptist Yanceyville, Mr. Howard Whitfield of Clement, and Mr. Alvin Dickerson of Mill Creek, Chairman of the subcommittee. The subcommittee had met and written a survey which was mailed to the thirty-five churches in the association. Mr. Dickerson called on Mrs. Deb Anderson, secretary for the subcommittee to give the report concerning the surveys. Approximately twenty-eight churches submitted their thoughts by letter. Attempts were made by subcommittee members to contact the remaining churches. In all, thirty-four of thirty-five churches responded. Approximately 62% favor moving forward with the construction of an association building while three, (3), of the churches supporting only if 75% or a greater majority within the association support construction. The vast majority are ready to move forward now and move forward diligently and swiftly. On the other hand, 32% of churches were not in favor of moving forward. A number of concerns were expressed and the following are the most common concerns the subcommittee wanted to share. The most common concern of those in favor and against moving forward: one, the general sense of disunity in the association caused by theological differences concerning the SBC, Southern Baptist Convention, and CBF, Cooperative Baptist Fellowship. Two, concern that Rev. Ken Childers is a member of a church that supported the SBC and CBF. Three, concern about the cost of the building. This concern was twofold. First, the cost of construction had not yet been adequately studied and, or quantified and secondly, that our association may not have the financial capabilities, particularly in light of the disunity, to complete the task of constructing a new building. Four, concern

which was truly minor based on the number of churches who specifically commented on this matter, was the selected location of the building. With these concerns before us, the subcommittee carefully considered its recommendation to the Executive Committee. It is the hope of the subcommittee that those present listen with an open mind and respond as God leads. In order to address the main concern of disunity among the churches of this association, the subcommittee asked for permission to continue meeting for the purpose of identifying and engaging a conflict resolution professional with the cost of no greater than $1,500. Should you so approve moving forward, in order that the whole association be represented on the subcommittee with respect to age, gender, profession, lay person, association officer, pastor, and theological prospective, it was asked that five members be added to the subcommittee. The following were nominated for approval: 1. Tommy Robertson, Moderator, 2. Louie Oakley of Providence Caswell Church, Vice-Moderator, 3. Rev. Victor Blackwell of Olive Branch Church, 4. Rev. DuPre Sanders of Roxboro Church, and 5. Mrs. Charlotte Good of North Roxboro Church. It is recommended that the construction project be suspended temporarily while differences are being resolved. In summary, it was clear to all members of the subcommittee that there is a growing sense of disunity in our association. However, it was equally clear by the thoughts and comments received, that the majority of the churches in the association desire reconciliation so that we can all move forward in harmony with the work of Christ in our community. Rev. Robertson stated that this was a recommendation and that it does not take a motion or a second but that it could be discussed. Rev. Victor Blackwell was recognized and stated that according to the by-laws of the association the Director of Missions and the Moderator are ex-officio members of the subcommittee. Rev. Blackwell made a motion to amend that another lady be added and recommended that Mrs. Lorene Heskett of CaVel Church be added. Motion was made, and carried for the approval of the entire recommendation.

5. The Nominating Report was presented by Rev. Ken Childers. Rev. Tom Elliott of Lea Bethel Church was added as Annuity Board Representative. Motion was made and carried to approve the report.

6. The Treasurer's Report was presented by Mrs. Barbara Jones. As of July 31, 2001,the building fund balance was $30,078.52, Designated funds balance, $4,489.94. Motion was made and carried for the approval of the report.

7. Rev. Clyde Everett, Milton Church, Evangelism Director, gave a report on the Senior Adult Revival, which was well attended and enjoyed by all June 25-27, 2001 at Westwood Baptist Church. Rev. Donald Cooper was the guest evangelist. The Evangelism Banquet was held on August 17, 2001, at Theresa Church, with Dr. James Royston, Treasurer and Executive Director of the Baptist State Convention of North Carolina delivering the message. All who attended both of these events were truly blessed.

8. Mrs. Nell Sparrow, Associational WMU Director, gave the WMU report. On January 13, 2001, Rock Grove Church hosted a book study, Beyond Belief which was led by Mrs. Cynthia Wilson. February 11-17, 2001, was WMU Focus Week. March 30-31, 2001 was Missions Extravaganza at Ridgecrest. The leadership team and many others from churches across our association attended. On April 3, 2001, the Annual WMU Meeting was held at Mount Harmony Baptist Church with 125 present and sixteen churches represented. Mrs. Geneva Robertson, Mill Creek and Mrs. Lorene Heskett, CaVel Church were speakers. On May 19, 2001, Cavel Church held a prayer retreat for the WMU Leadership team led by Mrs. Lorene Heskett. On June 22-23, 2001, the leadership team attended Caraway for training. Associational WMU Training was held on August 16, 2001 at Olive Branch Church with fifty-one present and fifteen churches represented. Christmas in August was held on August 18, 2001 at Mill Creek Church with approximately fifty girls and leaders attending and featuring a Mexican theme. A gospel sing was held at Mill Creek Church for the WMU leadership team to go on a mission trip to Philadelphia in October.

9. Rev. Ken Childers gave the Director of Missions Report. He stated that he had copies of the book, "Returning to Holiness," written by Dr. Gregory Frizzell. He also has copies of the follow-up book, "How to Develop a Powerful Prayer Life." Other books written by Dr. Frizzell were available through the association office. One other thing that has been done in Evangelism is our Senior Adult Revival. The revival was well attended and greatly enjoyed. Westwood Church hosted the event and we are very grateful for all the work they put into the event. Some want the event to move from three days to five. We have had some great experiences and appreciate all the work done by our leaders in the association. If your church needs assistance in training, please feel free to call and let our leadership team help you. Key leaders will be attending training September 7 and 8. The people who served with the Mexico Mission Team had a wonderful experience while in Mexico. Rev. Childers recognized Rev. Angel Cruz, pastor, Nueva Esperanza, and asked him to share about the associational mission trip to Mexico. God's blessings were felt by all who went on the trip and many professions of faith and rededication of lives were made.

10. The Stewardship Report was given by Mr. Boyd Gillis, of Olive Branch Church. Mrs. Marie Sykes Lea Bethel Church, Chairperson for the committee, was unable to attend. It was noted that the Administrative Assistant/Clerk's salary was not increased or decreased and that she would not work on Fridays. Rev. Gerald Hodges of Westwood Church proposed that $1000 be added to the budget for Prayer Ministry. Mrs. Lorene Heskett stated that she would like to request consideration of funds for the Prayer Ministry. Motion was made, seconded and carried for the approval of the proposed budget with the addition of $1000 for the Prayer Ministry. The yearly budget total: $120,655.15.

11. Mr. Louie Oakley, chair of the Program Committee requested that the dates for the annual meeting be changed to the 15th and 16th of October. The change was seconded and carried.

12. Rev. Tommy Robertson, not wanting to be out of order, requested permission to speak from Vice-moderator, Louie Oakley. Permission was granted. Rev. Robertson urged each church to give at least 4% to the association. He felt that some churches were holding back on giving. He also felt that the Director of Missions salary was not in line with what it should be and asked that churches prayerfully consider increasing their giving to the association.

13. Motion was made, seconded, and unanimously approved to adjourn. Rev. Claude Harrelson, Yanceyville First Baptist, closed the meeting with prayer.

Respectfully Submitted,
Barbara H. Jones, Treasurer
